Deep Valley Malice:

Deep Valley Malice Kirk Mitchell, 1996 **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31

Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Crime Fiction and Film in the Southwest** Steve Glassman, Maurice J.

O'Sullivan, 2001 When Joe Leaphorn and Jim Chee Tony Hillerman's oddly matched tribal police officers patrol the mesas and canyons of their Navajo reservation they join a rich tradition of Southwestern detectives In Crime Fiction and Film in the Southwest a group of literary critics tracks the mystery and crime novel from the Painted Desert to Death Valley and Salt Lake City In addition the book includes the first comprehensive bibliography of mysteries set in the Southwest and a chapter on Southwest film noir from Humphrey Bogart's tough hood in The Petrified Forest to Russell Crowe's hard nosed cop in L.A. Confidential **Ancient Ones** Kirk Mitchell, 2002-01-02 From Kirk Mitchell comes a riveting suspense thriller in the tradition of Tony Hillerman and Joseph Wambaugh featuring Bureau of Indian Affairs Criminal Investigator Emmett Quannah Parker and FBI Special Agent Anna Turnipseed two Native American cops searching for justice between their heritage and the law Though there are signs of foul play Emmett Quannah Parker and Anna Turnipseed aren't looking for a killer the remains dug out of a riverbank by an illegal fossil hunter are 14 000 years old Parker and Turnipseed have been sent to central Oregon as official witnesses to the examination of the relics But the bones quickly provoke a controversy that threatens to erupt into violence the skeleton is not Native American but distinctly Caucasian shattering long held tenets of who first inhabited this continent Emmett with his Comanche and white ancestry and Anna a reservation born Modoc with Asian blood share a sensitivity to both parties concerns and a forbidden attraction that's causing them professional and personal problems As

people connected to the case begin to lose their lives Emmett and Anna are paralyzed by their own demons And if they stop watching each other s back even for a moment the killer may target them too Shaman or Sherlock? Gina

Macdonald,Andrew F. Macdonald,2001-11-30 Fictional depictions of Native American concepts of justice crime and the investigation of crime are explored in this original work Shaman or Sherlock explores depictions created by Native American authors themselves as well as those created by outsiders with mainstream agendas The most successful of these writers fuse authentic Native American culture with standard genre conventions thus providing an appealing empathetic view of little understood or underappreciated groups as well as insight into issues of cross cultural communication Dealing with such significant concepts as acculturation regional diversity and assimilation this unique study evaluates over 200 detective stories Though the crime novel began in Europe as a manifestation of Enlightenment rationality and scientific methodology the Native American detective story moves into the realm of the spiritual and intuitive often incorporating depictions of non material phenomena Shaman or Sherlock explores how geographical and tribal differences degrees of assimilation and the evolution of age old cultural patterns shape the Native American detective story **Spirit Sickness** Kirk

Mitchell,2001-04-03 In the tradition of Tony Hillerman and Joseph Wambaugh comes this suspense thriller reuniting Bureau of Indian Affairs Criminal Investigator Emmett Quannah Parker and FBI Special Agent Anna Turnipseed two Native American cops torn between their heritage and the law A fire gutted police cruiser found in a remote part of the Navajo reservation bears witness to a horrific crime inside are the bodies of a tribal patrolman and his wife As BIA Investigator Emmett Parker and FBI Special Agent Anna Turnipseed know a cop s murder is never simple raising countless questions and suspicions When another murder is discovered the case explodes into an otherworldly realm Both Parker a Comanche and Turnipseed a Modoc are well acquainted with the eerie shadowland between native myth and modern homicide investigation Now they will have to touch minds with a murderer who has woven personal madness with Navajo myth to create his own reality and with it the need to kill and kill again **Wisconsin Natural Resources** ,2010 **Women in Natural Resources** ,1987 The
