## **Deer Forests Landlords And Crofters:**

Deer Forests, Landlords and Crofters Willie Orr,1982      *The Crofters' bill, with an analysis of its provisions: and the Crofters' commissioners' report* Ranald MacDonald (of Aberdeen.),1885      *History of Everyday Life in Scotland, 1800 to 1900* Graeme Morton,2010-08-31 This volume explores the experience of everyday life in Scotland over two centuries characterised by political religious and intellectual change and ferment It shows how the extraordinary impinged on the ordinary and reveals people s anxieties joys comforts passions hopes and fears It also aims to provide a measure of how the impact of change varied from place to place The authors draw on a wide range of primary and secondary sources including the material survivals of daily life in town and country and on the history of government religion ideas painting literature and architecture As B S Gregory has put it everyday history is an endeavour that seeks to identify and integrate everything all relevant material social political and cultural data that permits the fullest possible reconstruction of ordinary life experiences in all their varied complexity as they are formed and transformed      **Sutherland Estate, 1850-1920** Annie Tindley,2010-06-30 From the mid nineteenth century until the end of World War I the Sutherland Estate was the largest landed estate in western Europe at 1 1 million acres the ducal family owned almost the entire county of Sutherland as well as a further 30 000 acres in England The estate was owned by the dukes of Sutherland who were among the richest patrician landowners of the period from the early nineteenth century however the family were shadowed by their reputation as great clearance landlords something that would come back to haunt them throughout the coming decades      **The Parliamentary Debates (official Report[s])** ... Great Britain. Parliament,1886      **The Parliamentary Debates** Great Britain. Parliament,1886      **Parliamentary Debates** ,1886      **Hansard's Parliamentary Debates** Great Britain. Parliament,1886      **The Oxford Handbook of Modern Scottish History** T. M. Devine,Jenny Wormald,2012-01-26 Over the last three decades major advances in research and scholarship have transformed understanding of the Scottish past In this landmark study some of the most eminent writers on the subject together with emerging new talents have combined to produce a large scale volume which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Such major themes as the Reformation the Union of 1707 the Scottish Enlightenment clearances industrialisation empire emigration and the Great War are approached from novel and fascinating perspectives but so too are such issues as the Scottish environment myth family criminality the literary tradition and Scotland s contemporary history All chapters contain expert syntheses of current knowledge but their authors also stand back and reflect critically on the questions which still remain unanswered the issues which generate dispute and controversy and sketch out where appropriate the agenda for future research The Handbook also places the Scottish experience firmly into an international historical perspective with a considerable focus on the age old emigration of the Scottish people the impact of successive waves of immigrants to Scotland and the nation s key role within

the British Empire The overall result is a vibrant and stimulating review of modern Scottish history essential reading for students and scholars alike

**The Highland Crofters of Scotland Socially Considered with Reference to Proprietors and People** Duncan George Forbes Macdonald,1878

**The Poor Had No Lawyers** Andy Wightman,2013-04-18 New and Updated Edition Who owns Scotland How did they get it What happened to all the common land in Scotland Has the Scottish Parliament made any difference Can we get our common good land back In this book Andy Wightman updates the statistics of landownership in Scotland and explores how and why landowners got their hands on the millions of acres of land that were once held in common He tells the untold story of how Scotland s legal establishment and politicians managed to appropriate land through legal fixes Have attempts to redistribute this power more equitably made any difference and what are the full implications of the recent debt fuelled housing bubble the Smith Commission and the new Scottish Government s proposals on land reform For all those with an interest in urban and rural land in Scotland this updated edition of The Poor Had No Lawyers provides a fascinating analysis of one the most important political questions in Scotland

**Cobbett's Parliamentary Debates** Great Britain. Parliament,1908

*'The People Are Not There'* David Taylor,2022-08-04 Winner of the Saltire Society Scottish History Book of the Year Award Badenoch today is a landscape of empty glens and ruined settlements but it was not always so This book examines the transformative events that shaped the region s destiny climate and market forces hunger and relief measures sheep farms and sporting estates agricultural improvement and proprietorial greed and the evolution of clanship Although this is an intensely localised study the dramatic nature of change is explored against the wider context of events not just across the Highlands but also within the British state and its global empire Badenoch s journey moves from the relative prosperity of the Napoleonic Wars into the terrible post war destitution that devastated peasant tacksman and Duke of Gordon alike Estate reform and improvement gradually brought a degree of economic and social stability but inevitably resulted in depopulation as people were forced off the land to seek refuge in the impoverished planned villages or to abandon their Gaelic homeland for life in the Lowlands For those with the means however emigration provided lucrative opportunities unimaginable at home Through extensive use of documentary evidence much of it previously unseen David Taylor paints an intimate portrait of the historically neglected region of Badenoch one that provides a compelling new perspective on Highland history
