[With Maps.] Sir William Joseph Slim (G.C.B., G.C.M.G., G.C.V.O., G.B.E.), 1962 Senior Leader Decision Making: Lessons Gleaned From Field Marshal Viscount Sir William Slim And Bill Gates Lt-Col Keith Vore, 2014-08-15 Just as many football players have failed to become great coaches so too have many governmental leaders leaders of industry and military officers failed to succeed when placed at higher levels of responsibility Understanding how to solve problems at increasingly higher levels of dynamic complexity is certainly important to the success of the military at large Being able to discern a complex situation sizing up what is happening and what is critical to the situation knowing at a glance what is occurring and why confidently understanding what is important and what is not and then making a successful decision to respond are critical aspects of senior leader decision making Resources at this level are rarely sufficient to overwhelm the opposition everywhere continuously Divining a path of success that maximizes leverage over the competition at least cost is imperative for long term operations One way to explore this vital issue is to examine the thoughts and decisions of those who have been thrust into complex decision making situations and were eminently successful time and again Sir William Slim faced almost insurmountable complexity in dealing with the Japanese in the China Burma India theater during World War II Yet he managed to figure out a way to succeed in spite of the complexity he faced soundly defeating the Japanese and driving them completely from the country Bill Gates has faced complexity of an entirely different sort in his unparalleled rise to success in the computer software industry He has managed in spite of the complexity to uncannily make decisions that have propelled him to the top of his profession This monograph examines the research question Do the decision making methods used by Sir William Slim and Bill Gates correspond to the theories espoused by Gary Klein with respect to patterns and anomalies singular evaluation and leverage points Rails of War Steven James

Hantzis,2017-05 In a theater of war long forgotten and barely even known at the time James Harry Hantzis and his fellow soldiers labored at a thankless task under oppressive conditions Nonetheless as *Rails of War* demonstrates without the men of the 721st Railway Operating Battalion the Allied forces would have been defeated in the China Burma India conflict in World War II Steven James Hantzis s father served alongside other GI railroaders in overcoming danger disease fire and monsoons to move the weight of war in the China Burma India theater Torn from their predictable working class lives the men of the 721st journeyed fifteen thousand miles to Bengal India to do the impossible build maintain and manage seven hundred miles of track through the most inhospitable environment imaginable From the harrowing adventures of the Flying Tigers and Merrill s Marauders to detailed descriptions of grueling jungle operations and the Siege of Myitkyina this is the remarkable story of the extraordinary men of the 721st who moved an entire army to win the war For more information about *Rails of War* visit railsofwar.com *British and Japanese Military Leadership in the Far Eastern War, 1941-45* Brian Bond,2012-11-12 Some sixty years after the Far Eastern War ended this innovative new collection brings together five distinguished UK based scholars and five from Japan to reappraise their respective country s leadership in the Malaya and Burma campaigns This leadership is analyzed on various levels ranging from the grand strategic to operational The Japanese contributors examine the reasons for their forces brilliant advances in 1941 42 whereas the British writers have to account for the disastrous defeat characterized by the poor leadership of senior commanders such as Bennett and Percival Between 1943 and 1945 the tables were turned dramatically so the failure of Japanese command decisions then comes under critical scrutiny and the British have to explain how defeat was transformed into victory Above all this volume should stimulate interest in different methods and styles of military leadership in view of the contrasting approaches of the British and Japanese in the Second World War **Defeat Into Victory** William Joseph Slim Slim (Viscount),William Joseph Slim (Viscount).),1962 **The Challenges of High Command** G. Sheffield,G. Till,2002-12-13 The command and control of military operations is a difficult art The Challenges of High Command explores British ideas of how this should be done and with the guidance of some of Britain s leading military historians looks at the practicalities of British experience in the First and Second World Wars The contributors cast new light on themes as diverse as the trench warfare of the First World War the conduct of the Gallipoli and Norway campaigns and the command performance of Bomber Harris and Bill Slim The Challenges of High Command concludes with a major review of how military operations should be conducted in the new political and technological conditions of today and includes an informal and frank commentary by General Sir Mike Jackson on his experience in Bosnia and Kosovo **Defeat Into Victory. With a Frontispiece and 21 Maps. (2. Ed.) - London: Cassell (1956). 576 S. 8°** William Slim (Sir, Field-Marshal),1956 *Slim Chance: The Pivotal Role Of Air Mobility In The Burma Campaign* Major Derek M. Salmi,2015-11-06 This study applies lessons learned from air mobility s pivotal role in Field Marshal Sir William Slim s World War II Burma campaign to contemporary air mobility operations The author begins by

tracing the evolution of air mobility from its pre World War I roots to the Second World War noting how its development proceeded despite the lack of coherent codified doctrine Next the author assesses Slim s Burma campaign and how the key elements of organization training and leadership apart from air mobility proved critical to Allied victory Building upon this the discussion turns to air mobility s contributions to Slim s joint campaign From this analysis the author identifies the tenets of air superiority organization and air mobility normalization as being critical and enduring airpower lessons from the Burma theater The closing chapters offer a primer on contemporary mobility operations before arguing that modern air mobility practitioners must account for five key essentials superiority across the air and space domains proper organization that promotes relationship building at the operational level of war normalization of the complete air mobility supply chain and its accompanying idea of air mobility mindedness training focused on increased interoperability and the vital role of leadership

Field Marshal Slim - Theoretical Thinking And The Impact Of Theory On Campaign Planning Major Shawn P. Steele,2014-08-15 Field Marshall Viscount Slim holds a special place in modern military history He soundly defeated the Imperial Japanese Army in Burma in 1945 retaking the strategically important Burma Road and safeguarding the Chinese Theater from sure culmination By all accounts Slim is a military genius having achieved this notable victory even after the Japanese 15th Army pushed Allied troops all the way back to India The historical records attribute Slim s success to his superior ability to lead soldiers in combat but they tell only half the story By tracing Slim s implicit process of theoretical thinking using an observe interpret hypothesize test and prescribe action framework this story demonstrates that Slim s genius came from a combination of his abilities to lead and think theoretically Specifically in the case of Slim his ability to think theoretically afforded him the opportunity to develop a new operational approach a paradigm shift of sorts and his leadership made it possible to motivate his men to employ that approach The author asserts that it is the presence of these two abilities in a single man that make him a superior military commander Defeat Into Victory, Etc. [An Account of the Burma Campaign. With a Portrait and Maps.] Sir William Joseph Slim (G.C.B., G.C.M.G., G.C.V.O., G.B.E.),1956 *Defeat Into Victory* Field-Marshal Viscount William Slim,2000-02-09 Field Marshal Viscount Slim 1891 1970 led shattered British forces from Burma to India in one of the lesser known but more nightmarish retreats of World War II He then restored his army s fighting capabilities and morale with virtually no support from home and counterattacked His army s slaughter of Japanese troops ultimately liberated India and Burma The first edition of *Defeat Into Victory* published in 1956 was an immediate sensation selling 20 000 copies within a few days This is an updated version with a new introduction by David W Hogan Jr
