### Strategies and Tips for Success in becoming an Entrepreneur

You must have a strong spirit if you want to be a successful person. The spirit factor is very influential in a person's success in starting a business, the greater the enthusiasm you have, the more opportunities for success will be opened. Even when you experience failure, you will have difficulty rising from that failure. On the other hand, if you have a strong spirit, no matter what the failure, you will get up and move on.
