**Routledge Handbook of African Popular Culture** Grace A. Musila, 2022-05-15 This handbook brings together an international team of scholars from different disciplines to reflect on African popular cultural imaginaries. These imaginaries, in the sense of cultural productions, contexts, consumers, producers, platforms, and the material, affective, and discursive resources they circulate, are influential in shaping African realities. Collectively, the chapters assembled in this handbook index the genres, methods, mediums, questions, and encounters that preoccupy producers, consumers, and scholars of African popular cultural forms across a range of geohistorical and temporal contexts. Drawing on forms such as newspaper columns, televised English Premier League football, speculative arts, romance fiction, comedy, cinema, music, and digital genres, the contributors explore the possibilities and ambiguities unleashed by the production, circulation, consumption, remediation, and critique of these forms. Among the questions explored across these essays are the freedoms and constraints of popular genres, the forms of self-making, pleasure, and harm that these imaginaries enable, the negotiations of multiple moral regimes in everyday life, and inevitably, the fecund terrain of contradictions definitive of many popular forms which variously enable and undermine world-making. An authoritative scholarly resource on popular culture in Africa, this handbook is an essential read for students and scholars of African culture, society, and media.

**Reset** Dwain Schenck, 2025-05-01 Welcome to the new world of jobs in security. Layoff. If you haven't experienced one, you know someone who has. Dwain Schenck speaks with authority; not only has he seen energetic, talented, and accomplished friends undergo the stress of job loss, but he too has felt the sting of being let go. *Reset* is the uncompromising portrait of Schenck's journey: a successful journalist and communications professional who joins the ranks of the unemployed during the most dismal job market in modern history. His initial reactions of denial and depression sabotage his morale and motivation. Then, with the assistance of friends, wisdom from experts, and good old-fashioned creativity and tenacity, Schenck turns his attitude around. The hard-won, valuable advice and techniques in these pages can work for anyone concerned about job loss or keeping a job. *Reset* can position you to get back on your feet, often landing in a better place. Schenck covers a wide variety of topics with a humorous, light touch that balances the serious subjects within, which include: The Emotional Phases of Unemployment, Who Am I? Insecurity and Uncertainty, Rules for Effective Networking, Knowing Your Value in a Buyer's Market, The Social Life of the Unemployed, Mastering the Art of Reinvention. With insight and inspiration from Mika Brzezinski, Donald Trump, Christine Hefner, Mort Zuckerman, Susie Essman, Donny Deutsch, Larry David, Joe Echevarria, Mike Barnicle, and Joe Scarborough.

sell to them Yes it s possible While having thousands of followers and likes can be great for your Ego what use are they if they aren t related to your niche and more importantly will NEVER become your customers Being Successful on Social Media is all about to turning your followers into paying customers and then having these customers come back again and again until they literally ask you to release more products Whether you re looking to grow your business build a personal brand or rapidly grow niche Instagram accounts this practical blueprint will show you exactly how to go from 0 followers to engaged relevant followers in no time Instagram is currently a wide open playground that the majority of businesses just aren t capitalizing on But you have the opportunity to be different P S Instagram have recently updated a LOT of their platform therefore it s more important than ever to get the up to date information you and your business need to crush Instagram marketing like never before Here s a preview of what s inside Exactly How to Monetize Your Instagram to Earn 1000 s EVERY single month This Works For BOTH Businesses Personal Brands How to Optimize Every Aspect Of Your Instagram Profile to Skyrocket it s Growth Including 5 Simple Tricks You Need To Know For 2021 3 Simple Yet Incredibly Effective Ways to Ethically Profit From Your Raving Followers Fans 10 Essential Tips to Drastically Increase Your Engagement Essential If You Want To Monetize Your Account Why Knowing Your Exact Niche Is CRUCIAL 3 Successful Example Accounts In Very Targeted Niches The Secrets To Leveraging The Instagram Algorithm Features To Grow Your Brand Business 5 Tips For Unlimited Inspiration Ideas For Creating Original Engagement Friendly Content That Your Followers LOVE How To Make 100 s EVERY DAY Even if You Have ZERO Products or Services to Sell The Truth On Whether You Should Hire A Social Media Manager Or Agency 3 Pros Cons To Both Sides The Easy to Follow Step by Step Blueprint to Paid Instagram Advertising to Blow Up Your Account Promote Your Products Service The BEST Strategy for Marketing Your New Products Services as Soon as They are Released How This 1 Tip Could MASSIVELY Increase Trust Engagement Between You and Your Followers And that barely even begins to scratch the surface Even if you ve never even heard of Instagram marketing before even if you ve never opened your own Instagram account even if you ve never heard of Influencers or Personal Brands this book outlines exactly how you can utilize the untapped market of Instagram to rapidly grow your businesses or Personal Brand in 2021 So If You Want The Practical Blueprint To All But Guaranteed Instagram Success In 2021 Then Scroll Up And Buy This Book Today *Instagram Secrets* Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being

transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book **Influencer** Brittany Hennessy,2018-07-31 I highly advise anyone who has an interest in life online to get this book sit down and take notes because you re going to want to hear what Brittany has to say Iskra Lawrence Aerie Model and Instagram star iskra If you ve ever scrolled through your Instagram feed and thought I wear clothes eat avocado toast and like sunsets why can t someone pay me to live my best life this book is for you Every one of your favorite influencers started with zero followers and had to make a lot of mistakes to get where they are today earning more money each year than their parents made in the last decade But to become a top creator you need to understand the strategies behind the Insta ready lifestyle As nightlife blogger then social media strategist and now Senior Director of Influencer Strategy and Talent Partnerships at Hearst Magazines Digital

Media Brittany Hennessy has seen the role of influencers evolve and expand into something that few could have imagined when social media first emerged. She has unrivaled insight into where the branded content industry was, where it is, and where it's going. In this book, she'll reveal how to build an audience and keep them engaged, package your brand and pitch your favorite companies, monetize your influence and figure out how much to charge. Plus tips on landing an agent, getting on the radar of your favorite sites, praising a brand without alienating their competitors. Whether you're just starting out or you're ready for bigger campaigns, Hennessy guides you through core influencer principles. From creating content worth double tapping and using hashtags to get discovered to understanding FTC rules and delivering metrics, she'll show you how to elevate your profile, embrace your edge, and make money all while doing what you love.

**Build Your Personal Brand 2019**

Chase Cassidy, 2019-04-18

Discover why the Instagram account of your neighbour's dog makes more money than you. Do you ever wonder how does everyone even your grandmother know about Justin Bieber? Did you know that Kylie Jenner is the highest paid influencer and makes an estimated 1 million per sponsored post on her Instagram? Or that 3 simple apps on your phone, Facebook, Whatsapp, and Instagram are worth over 500 billion dollars by now? People are looking for exposure. Every single person likes attention, and the same applies to your business. A well-known business means more customers, which means more money in your pocket. But what if I tell you that you are the captain of this ship? And this ship is your business. Life in 2019 happens online. American adults spend more than 11 hours per day watching, reading, listening to, or simply interacting with media. Market Research Group Nielsen: Internet users are now spending an average of 2 hours and 22 minutes per day on social networking and messaging platforms. Digital Information World: You don't need to sing, I will always love you. You don't need to do backflips or other stunts. You don't need to be Einstein and invent the theory of relativity. All you need to do is be you and know how to build your personal brand the right way.
