Crash Course in Young Adult Services Sarah Flowers,2017-10-10 Learn how to improve teen services in public libraries by better understanding teen development and having positive interactions with teens to provide appropriate and interesting collections and services A library can be a tremendous resource for teens one that helps them to learn about themselves and the world they live in But teenagers are intrinsically different from children and from adults and these critical developmental differences affect the ways they interact with others both in the world at large and in the library Serving teens effectively in the library requires a basic understanding of who teens are and the developmental tasks they face factors that affect all aspects of library service from the specific programs and services we offer to the ways that staff provide assistance to the teen who is seeking help at a library service desk This book enables library workers to better understand adolescent development which allows them to provide a positive library experience for teens Readers will learn how to supply excellent library services with and for teens including in the areas of collection development readers advisory reference and homework help programming and advocacy The book identifies the best ways to have positive interactions with teens in the library based on their mental development and details best practices for teen services The concluding section discusses advocating for teens with emphasis on their right to privacy and equal access to materials and services *Television Studies and Research on Series* Denis Newiak,Dominik Maeder,Herbert Schwaab,2024-07-17 Television series enjoy an unbroken popular as well as scholarly attention It is surprising however that in works on seriality in media and cultural studies approaches to television studies and television history still play a rather minor role Yet seriality should always be thought of in terms of television since the two have always been inextricably interwoven economically technically and aesthetically But what else constitutes the serial in television and how does it change its face in times of digitalization streaming and interactivity Is it possible to think of a genuine serial theory of the televisual and what in turn can be learned from this for seriality beyond

television The essays in this volume contribute to shedding new light on the serial as a core principle of television and to providing new impulses for a television theory of the serial on the basis of diverse examples from the current range of television series

Psycho-Social Health of Youths Alka Wadkar,2025-12-15 This comprehensive book of interdisciplinary nature uses indigenous research findings to examine issues affecting the psycho social health of adolescents and young adults It explores the psychological social and biological factors that hinder the well being of youth while proposing intervention and the way forward Lucidly written to aid understanding this volume links theory and research in psychology to the Indian social sphere by providing real life examples and case studies It explores the causes of clinical psychological disorders and maladaptive behaviour which when neglected can adversely affect an individual s personality It points to the detriments of gender based socialization abusive marriages addiction and traumatic events such as sexual harassment and emotional abuse The book suggests measures to cope with trauma prevent suicidal ideation and build resilience and empathy to foster post traumatic healing This book will help readers overcome stress disturbed interpersonal and intrapersonal relations and difficulties regarding communication and negative thoughts It will also be useful to students researchers professionals counsellors life skills trainers and general readers to help them achieve greater success and happiness in life
