### Strategies and Tips for Success in becoming an Entrepreneur

You must have a strong spirit if you want to be a successful person. The spirit factor is very influential in a person's success in starting a business, the greater the enthusiasm you have, the more opportunities for success will be opened. Even when you experience failure, you will have difficulty rising from that failure. On the other hand, if you have a strong spirit, no matter what the failure, you will get up and move on.

**The Entrepreneur's Guide to Marketing** Robert F. Everett, 2008-11-30 Marketing often scares entrepreneurs They've sweat buckets coming up with a valuable product or service and now they have to sell it Won't it sell itself No But as marketing expert Bob Everett shows marketing is just not that hard At some level entrepreneurs know that They know what appeals to them and what leaves them cold They know when a person or marketing claim is trustworthy and they know when claims are exaggerated Yet when it comes to marketing their own products and services to others entrepreneurs often find it difficult to apply that same judgment and common sense Everett to the rescue He helps entrepreneurs position products in the market then sell them effectively and ethically Everett first destroys marketing myths Marketing is difficult and needs to be done by professionals Good marketing has to be expensive Marketing skills require extensive training Marketing requires a great deal of creativity These myths have spawned a multi billion dollar industry consisting of advertising agencies public relations firms marketing consultants and academic marketing programs in business schools But as this book shows marketing is a simple process that anyone can master and that entrepreneurs must master if they are to succeed Fortunately the most effective marketing programs are usually the most honest simple and inexpensive The Entrepreneur's Guide to Marketing is designed to help the entrepreneur business owner manager or marketing professional harness his or her own inner wisdom and personal experience to develop powerful and efficient marketing programs Both a how to and a how to think about it book it takes readers through a step by

step process of figuring things out for themselves The result A successful marketing program that will help entrepreneurs
