Your competitive advantage starts here.

Human-Centered Marketing Ashley Faus, 2025-05-03 With the rise of AI, excess of distribution channels and focus on tracking every touchpoint in order to drive revenue, consumer trust is at an all time low. To restore trust, brands need to create delightful, seamless and impactful journeys to connect with the humans behind the screen.

Human Centered Marketing introduces three frameworks to help mid senior level marketers find connect with and convert audiences The book helps you map an audience journey that behaves like a playground instead of a linear funnel evolve the approach to social media to go beyond conversations and instead facilitate and engage with the community and build thought leaders to build trust and move your audience into the future Each chapter includes practical advice to help seasoned marketers shift their strategy and offers tactical implementation recommendations All chapters include real world examples from companies like Adobe Hubspot and Edelman to demonstrate that this shift from the standard playbook actually works

Microlearning in the Digital Age Joseph Rene Corbeil,Badrul H. Khan,Maria Elena Corbeil,2021-05-09 Microlearning in the Digital Age explores the design and implementation of bite sized learning and training in technology enabled environments Grounded in research based best practices and a robust eight dimensional framework this book applies the latest developments in mobile learning social media and instructional multimedia design to one of today s most innovative and accessible content delivery systems Featuring experts from higher education information technology digital gaming corporate and other contexts this comprehensive guide will prepare graduate students researchers and professionals of instructional design e learning and distance education to develop engaging cost effective microlearning systems
