Social Media Influencers in Strategic Communication Nils S. Borchers, 2021-12-21 This book seeks to draw a comprehensive picture of influencer collaborations from a strategic communication perspective The contributors tackle strategic influencer

communication from multidisciplinary perspectives from varying actor foci and from different methodological frameworks and methods Influencers cross traditional boundaries in many ways and oscillate between intimacy and publicity authenticity and commercialization ingratiation and critical distance From a strategic communication perspective this variability makes influencers hard to capture organizations can cooperate with influencers to achieve both marketing and PR objectives Influencers can act as cooperation partners integrating commercial content into organic narratives or as independent critics Influencers also combine different roles that have traditionally been occupied by separate actors such as intermediary content distributor creative content producer community manager testimonial strategic counsellor and event host The combination of these roles in just one actor opens new opportunities for strategic communication and can produce appreciated synergy effects It is therefore hardly surprising that influencer collaborations have become a firmly established instrument in the toolbox of strategic communicators The chapters in this book were originally published in the International Journal of Advertising and the International Journal of Strategic Communication

Communication Theory for Humans Neil O'Boyle, 2022-08-10 This book takes a human centred and concept led journey through communication theory and is aimed primarily at those who are new to communication studies Each chapter uses a single concept actors narrators members performers influencers and producers to explore key ideas theories and thinkers The six core concepts offer unique though related ways of thinking about flesh and blood human communicators in a world that is now fundamentally intertwined with media Each chapter includes a mix of early and recent studies to enable readers to historically locate concepts and trace their evolution Overall the book aims to foster an appreciation of theory in readers cultivate their theoretical sensitivity and provide them with lots of real world examples to help them better understand how theories apply to everyday life

Media Literacy in Action Renee Hobbs, 2024-10-14 There's never been a more important time for students to develop media literacy competencies When students ask critical questions about the media they consume they develop fundamental knowledge and critical thinking skills that prepare them for life work and meaningful citizenship Media Literacy in Action addresses learners who are simultaneously active as both creators and consumers of media messages At the same time the book recognizes that everyone is vulnerable to media influence because of our dependence on the instant gratification and feelings of connectedness that digital platforms provide To thrive in a media saturated society people need to ask critical questions about what we watch see listen to read and use This book gives students those tools Key features of the second edition Critical examination of AI technologies algorithmic personalization data privacy and surveillance and the increased global regulation of digital platforms Attention to media literacy for empowerment and protection Inquiry oriented approach to learning that cultivates intellectual curiosity and creative expression Full color presentation with figures and photos to increase student engagement Each chapter includes Media Literacy Trailblazers Profiles of key thinkers and their theories connect students with the discipline of media literacy Media Literacy DISCourse NEW Visual representations of media

literacy theoretical principles help learners internalize the practice of asking critical questions as they respond to specific media examples Learning in Action NEW Summary and vocabulary sections combine with Analyze Create Reflect and Act activities to empower students to apply ideas from each chapter Supplemental Materials available at www.mlaction.com Students can review key ideas learn about more Media Literacy Trailblazers and watch videos aligned with each chapter Instructors can access a Teacher's Guide of best practices in class activities homework and projects Also available are chapter summaries lecture slides YouTube playlists and test materials
