Innovative Technologies in Everyday Life Oge Marques, 2016-09-30 This SpringerBrief provides an overview of contemporary innovative technologies and discusses their impact on our daily lives. Written from a technical perspective and yet using language and terminology accessible to non experts it describes the technologies the key players in each area the most popular apps and services and their pros and cons as well as relevant usage statistics. It is targeted at a broad audience ranging from young gadget enthusiasts to senior citizens trying to get used to new devices and associated apps. By offering a structured overview of some of the most useful technologies current available putting them in perspective and suggesting numerous resources for further exploration the book gives its readers a clear path for learning new topics through apps and web based resources making better choices of apps and websites for frequent use using social networks effectively protecting their privacy and staying safe online and enjoying the opportunities brought about by these technological advances without being completely consumed by them.

Writing for Museums Margot Wallace, 2014-10-06 Words are everywhere in the museum. Amidst all the visual exhibits and in many non exhibition areas swarm a host of words talking to a vast swath of people in ways that visuals cannot. Signage at the information desk brochures exhibition videos guided tours membership materials apps and store labels in a multi screen world where information explodes in every corner of the field of vision clarity comes from the presence of words among the feast of visuals helping contemporary audiences feel at home. Research bears out the need for a range of learning tools and it's not just visitors who benefit from verbal cues donors educators community partners and volunteers will all engage more effectively with the museum that explains its brand mission with good writing. Whether written by administrators staffers freelancers or interns words are delivered by people in your museums with the knowledge that they will be interpreted by strangers. Your story is told everywhere and with each narration it reinforces your brand hopefully every single word reflects your brand. Each chapter tells how to put into words the stories you need to tell including Blogs Brochures Exhibition videos Guided tour scripts Collateral programming talks Marketing plans Proposals to community partners Public Relations releases Social Media Solicitation letters Surveys Volunteer communications Website. If you ever wished for a good writer right on staff ready to take on project major or routine here's the help you're looking for.
