Mark Cole,John Higgins,2023-04-17 Silence always has something to say it s never neutral and speaks volumes if people are willing to hear Our response to silence is often to dismiss or end it to block it out with noise Instead silence needs to be taken seriously This book explores the importance of understanding silence and shows how we can move from merely listening to truly hearing those around us The interplay of voice and silence in organisational life is not straightforward We can feel pressured to speak and compelled to keep our silence Knowing how to read silence to make sense of its generative and degenerative capacity is a rarely developed skill among managers and leaders at all levels who have been brought up to see silence as evidence of compliance or a weakness to be addressed But it is a critical skill for managers and employees alike Written by two experts in organisational development this book explores different types of silence and their implications for organisational practice digging into the theoretical roots and engaging with real stories and voices It provides everyone at

work with an understanding of the different meanings of silence and how to engage well with it When to stay with it when to join in with it and when to be struck by what s not being said and do something about it The Great Unheard at Work is essential reading for corporate leaders HR professionals in all sectors business students professionals and anyone interested in leadership development      *Escape Freelancing And Build Real Equity: Stop Trading Time, Start Owning Assets* Simon Schroth,2025-04-23 Freelancing can be an excellent way to earn income but it doesn t build long term wealth or equity Escape Freelancing and Build Real Equity teaches you how to transition from a time for money model to building a business that generates wealth and owns valuable assets This book covers how to develop a productized service or digital product invest in assets like intellectual property and create a brand that increases in value over time You ll learn how to build systems that automate your business operations leverage recurring revenue models and hire a team to scale your business The book also provides strategies to create a lasting legacy that generates passive income even when you re not actively working If you want to escape the endless cycle of freelancing and build real wealth Escape Freelancing and Build Real Equity gives you the tools to create long term scalable assets      *Remote Work Technology* Henry Kurkowski,2021-09-08 Your small business survival guide for the remote work environment In Remote Work Technology Keeping Your Small Business Thriving From Anywhere experienced SaaS and telecommunications entrepreneur Henry Kurkowski delivers a step by step walkthrough for using SaaS technology and communication apps to power your small business from anywhere on the planet You ll learn how to capitalize on the ability to hire a geographically distributed workforce and excel at serving clients at a distance You ll also discover why and how you need to alter your approach to management and spot the common pitfalls that litter the way to a truly distributed business This important book includes Valuable case studies of businesses that embraced the reality of remote working during and after the COVID 19 pandemic and cautionary tales of unexpected challenges that arose during the transition Discussions of how to incorporate remote workers into efficient workflows to increase your business productivity Explorations of how to support your employees when you can t just pop into their office Perfect for small business founders owners and managers Remote Work Technology is also a must read guide for independent contractors who work directly with small businesses and entrepreneurs      **Higher Education, Place, and Career Development** Rosie Alexander,2024-11-21 Drawing connections between the findings of a research project following young graduates from the Scottish islands of Orkney and Shetland current international evidence and theoretical literature this book argues that understanding rural and island student transitions can expose the wider dynamics of place and mobility at play during student and early career experiences Highlighting the importance of a career perspective Rosie Alexander encourages readers to consider how career pathways develop across time and across transition points unsettling the notion of a straightforward transition through university into the workplace The book uncovers how student trajectories are developed through interweaving dynamics of relationships place and career routes and unpacks the implications for

policymakers and practitioners It contends that a much greater spatial awareness is necessary to understand and support the educational and career pathways of higher education students This is a crucial read for higher education researchers policymakers and students interested in rurality as well as access to and transition from higher education *Computerworld*, 2006-06-19 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network **Mayfair and Town Topics**, 1911 *Lesly's Handbook of Public Relations and Communications* Philip Lesly, 1998 Until his death in 1997 Philip Lesly was a leading authority on public relations and a leading practitioner The new title reflects an added section on the techniques of communication Other sections cover the definition and function of public relations analysis research and planning how an organization utilizes public relations and the practice of public relations Appendices include sources of information public relations organizations the code of professional standards for the practice of public relations and a glossary Annotation copyrighted by Book News Inc Portland OR Productivity and Black Workers in South Africa Christopher Orpen, 1976 Personnel management monograph on employees attitude and behaviour of Black African workers in South Africa R covers White and black labour relations in historical perspective characteristics of the labour market wage differentials White and black trade unions job satisfaction motivation wage incentives recruitment and aptitude testing training etc Bibliography pp 273 to 280 and statistical tables Journal of the American Medical Association American Medical Association, 1904 Includes proceedings of the Association papers read at the annual sessions and list of current medical literature **The Country Gentleman**, 1916 The Building News and Engineering Journal, 1908 Journal of the National Education Association, 1921 *Report of the Minister for Education and Cultural Activities* Queensland.
