Simple Digital Blogging Allows You to Organize Your Thoughts  
Spot Behavioral Patterns and Make the Changes You Want to Live Your Best Life  
Have you ever tried to keep a journal of your life so that you could work on your personal development journey  
Sometimes it helps but using a pen and paper isn't always all that it's cracked up to be  
Print journals are cumbersome to use  
You can't easily find entries from your past and they only hold so much information  
That's why more people are turning to blog journals instead  
This is a truly therapeutic form of journaling that removes the burden of toting around a book and trying to enter your thoughts all correctly on the first try  
A digital blog removes the problems traditional journals and offers much more for you in return  
With a digital blog you can Access your journal anytime from anywhere by logging in on a device  
Publish them for the viewing public or keep them private without having to worry about anyone stumbling upon an entry and reading it  
Just about everything we do from driving to cooking to meeting our significant others has evolved from an archaic method to something digital and convenient  
That's what blogging has done for journaling  
It's brought your entire self-help strategy into the 21st century and empowered you to succeed faster and easier than ever before  
How many times have you started a journal and then stopped  
Maybe it was out of boredom or frustration because no matter how often you wrote something down nothing ever seemed to change  
You have the opportunity to transform your entire world and it will be freeing as you embrace your strong points and shine a light on the character traits behaviors and actions that you know you need to alter  
There are 8 strategic aspects to succeeding with an empowering blog  
Recognize the healing potential it holds  
Become an expert at getting people to engage on your blog posts  
Utilize multi-media formats to give yourself flexibility in carving out your thoughts and messages  
Turn your blog into a business at a later date if you want to take it to the next level  
Whenever you think about blogging you might assume it requires a lot of start-up funds or technologically advanced knowledge  
But it's actually a very cheap and simple process anyone can do  
But you can use a free blog theme on a domain you own and customize the look and feel of your blog even change it up at any time unlike a print journal where you're stuck with whatever the store is selling until you fill it up  
It doesn't matter if you have one issue you want to work on or one hundred issues if personal development is a passion of yours and you want to initiate change from within then a digital blog is what you need  
In my new book Self Empowerment Through Blogging you're going to learn a couple of things  
A Strategic Way to Practice Blog Therapy for Personal Growth  
How to Engage with a Blog Audience to Both Give and Receive Support and Guidance  
It doesn't matter if you're a senior citizen man or a 20-something young woman  
Digital blogging is a process that works for everyone  
It's so important that you not neglect your mental health and well-being  
With stress levels at an all-time high it's no wonder more people are looking for new and exciting ways to cope with their emotions  
Blogging about your

self help and personal development will enable you to address your past present and future as you work to carve out the kind of life you ve always dreamed of
