**Using Blogging to Impact Students' and Teachers' Attitudes Toward Writing in the Elementary Classroom** Carol Lindley, 2016 The purpose of this project was to introduce technology into my journal writing curriculum This project involved 26 third grade students in an elementary school setting I engaged my students in the writing process by introducing them to blogging with the Kidblog website I observed to see the ways blogging has the potential to increase my students desire to write and in turn become better writers

Furthermore I hoped it would create a more positive outlook on writing for me as the teacher My goal was to show that using a new tool incorporating technology for a journal writing curriculum can be a fun process for students The studied showed through quantitative and qualitative data that blogging does have a positive impact on my students journal writing curriculum Additionally it was determined that through blogging I also experienced a positive writing curriculum experience I was more involved with the monitoring by viewing their entries online which allowed me to increase my own enjoyment of their writing by using this specific technology It was a beneficial study that demonstrated technology impacts a writing curriculum in the classroom for student and teacher alike
