Management With a Difference April Rudin, Nick Rice, 2025-10-27 A unique playbook for success for wealth managers and financial advisors in the face of sweeping generational change. There are hundreds of thousands of financial advisors globally serving clients whose needs are undergoing a revolution. Generational shifts are transforming how these clients approach money, spanning values, technology, investing and even politics. Younger investors and women are creating wealth, inheriting tens of trillions of dollars from relatives and accumulating money as they move closer to retirement. In Wealth Management with a Difference: Your Guide to Achieving Client, Generational and Business Success, global financial services veterans April Rudin and Nick Rice show how advisors and wealth managers can serve these growing needs and position themselves at the heart of families and their legacies. Each chapter explores a generational opportunity for wealth managers and advisors globally, ranging across financial planning, investing, technology and management strategy. The authors summarize each opportunity, how they are likely to evolve and what they mean for your clients and your business. You'll find comments from over eighty experts around the world, across opportunities underscoring their global relevance. Action points for wealth management firms and financial advisors. Visuals and charts illustrating and illuminating the trends discussed. An essential read for wealth managers, financial advisors, private bankers, family offices and other financial professionals. **Wealth**
