your copy now and start reaping the rewards of a truly unstoppable digital strategy. *Content Marketing* James Harris, 2017-08-19 Content marketing is the most important marketing strategy you will ever learn. Whether you are struggling to successfully use content marketing to scale your business or if you have never heard of it before, this guide is perfect for you. This book will walk you through the exact process of identifying your audience, generating unique content for them, using that content to successfully convert viewers into leads and leads into clients, and how you can analyze your success and use those results to increase your success even more. Learning how to use content marketing in your business may seem difficult, but truthfully, it isn't. In fact, it may be one of the easiest things you ever do. Content marketing ultimately takes the relationship between your business and your client and moves it online. Since the majority of your clients will be in the online space, it gives you an excellent opportunity to access them and build your connection and relationship with them. In the old days, customer relationships were built by you communicating with customers who attended your business. These days, it must go further than that. If you want to have successful marketing strategies in place and have a greater impact on your ability to maintain and grow your business, you need to be taking advantage of content marketing and all of the amazing benefits it has to offer. If you are ready to take your brand to client relationship to the next level, increase your success, and have a greater opportunity to build rapport in the industry, you need to start using content marketing strategies. Look no further because *Content Marketing Do Things Differently with Powerful Strategies and Make Much More Money Online* Easy and Simple Guide will help you do exactly that. A Beginner's Guide To Standing Out Online* Sandra Shillington, 2019-06-14 If you're looking for content marketing made easy, this book gives you a simple plan to get started. The companion guide to *The One Year Content Strategy Workbook*, this book answers the basic questions many entrepreneurs have when they first think about digital marketing. It guides you through the one year content planning journal so you can create client-attracting content for your business. It will help you create an editorial blog calendar and develop a digital marketing strategy through defining your brand identity, target market, audience, persona, and content style guide. It will help you develop a content plan and strategy for your business, organize your ideas, and create an editorial blog calendar. *Content Strategy Planner* Sara Eatherton-Goff, 2016-03-16 Blog planning doesn't have to be complicated. Whether you're a brand new blogger, soon-to-be blogger, or a current one looking to simplify your content for up to 12 months, the *Content Strategy Planner* is for you. It includes private access to the blog planning video workshop and mini printable workbook from GoffCreative.com, in addition to all the internal resources, tracking, planning, and prep for Blog and reader planning, and overview. Blog content mapping strategy and tips. Guided editorial content preparation for 12 months. Email marketing overview and plan. Editorial calendar. Monthly personal and professional planning. Monthly prep sheet. Email growth analysis, etc. Email marketing map: the foundation for your strategy, each month. 12 months.

of analytics recording stats 12 months of blog growth analysis Guest blogging opportunity tracking And more Uncomplicate the blog content planning process with this simple guided planner that I'll walk you through every important facet of developing a strong blog to help support your business online or allow your blogging hobby to be taken seriously But before you buy this planner note that it's not for you if you have more than one blog that you manage or if you send more than 8 emails a month to your audience Yes you could make it work but I wouldn't recommend it Also this book doesn't linger in the past It's a forward focused blog planner intended to help you do just move forward with your blog So if you're looking for 20 pages of reflection from the previous 12 months slapped in the first part of the planner it's not for you either There's plenty of thorough tracking but it also won't keep you detailing the past for hours on end If you want a serious blog planner with a focus on growth preparation and built on a high functioning strategic process then this planner is exactly what you're looking for Buy the Content Strategy Planner now
