Influencers, Online Alliances and Reconciliation in Southeast Europe Ivana Stepanovic, 2024-12-09 This book explores the transformative role of social media in fostering reconciliation in the former Yugoslavia a region still grappling with unresolved conflicts and ethnic divides Focusing on platforms like YouTube and TikTok it highlights how Balkan influencers blend personal storytelling with commercial outreach to promote interethnic understanding The study employs digital ethnography and narrative analysis to reveal the intricate dynamics between human actors and algorithms uncovering how social media facilitate grassroots reconciliation initiatives The author critiques traditional reconciliation efforts driven by political elites and emphasises the potential of bottom up approaches enabled by social media It presents the concept of algorithmic reconciliation where social media algorithms inadvertently foster interethnic collaborations and create transnational online communities By examining the economic and cultural practices of influencers the book illustrates how digital platforms can serve as modern arenas for peacebuilding This book is primarily aimed at undergraduates and postgraduates in social history digital media studies and peace studies but will also be relevant to academics policymakers and anyone interested in the intersection of technology and social change

iParent Neha J Hiranandani, 2024-02-05 Born into a digital wonderland our children are practically mini hackers right from the crib Most of them were handed a device before they could walk they clicked before they took their first bite and scrolled before they said their first words But living online is a giant uncontrolled experiment Cyberbullying Internet addiction body dysmorphia and other digital villains lurk in the shadows How can parents ensure their kids navigate the digital world safely when there s no rulebook Neha J Hiranandani s iParent comes to the rescue This book decodes India s app generation and elevates the discussion beyond these kids and their phones Based on research candid conversations and personal reflection this timely book is a witty meditation on parenting in a digital world Hilarious and informative in equal measure iParent empowers you to connect with the new generation and guide them to cyber safety without being a helicopter parent No judgement no preaching

Finding His Redemption Melanie A. Smith, 2021-11-02 A fallen rock star a former fan and a quest for redemption Kristoffer West Westberg is just out of rehab and ready to reclaim his rock god status But when his return to fame is threatened by a former fan turned rock magazine writer and huge critic of him and his band West is forced to reckon with the reality that he ll need to prove himself before earning his redemption Max Marshall is feisty a little too honest for her own good and so not here to babysit a fallen rock star And nobody has fallen farther in her mind than Kristoffer Westberg So when she s forced to catalog his so called apology tour she has little hope that it ll be anything but a headache dealing with the entitled washed up rock star she used to worship before she knew better If West hopes to have a snowball s chance in hell of changing Max s and his fans minds he s got some serious groveling to do Will he manage to fake it till he makes it or will he be exposed as the lost cause everyone is convinced he is And will he learn the real meaning of redemption in time to
