**God and Choice and Life Or Death** Ellen K. Gordon, 2022-03-25 I define this choice as an established intangible mechanism at the core of our being which our will for our lives through the spoken word of our mouths activates This choice is sometimes ignored and or unrecognized however it is always present and available to us Its purpose is to deliver us our spirit man into the hands of freedom a place within us where we are always safe where we are sane and where we recognize the greatness that is within us through Christ Jesus our Lord This is not the freedom of footloose wild and fancy free but it is the freedom of kings and priests Its freedom enables our responsible right to us We understand that God is responsible and the only right Deut 32 4 and only through Him can anyone obtain rights No one has the right or God on his side to do anything unless it is through Him This is the basis of truth In John 8 31 32 Jesus said If you continue in my word then are ye my disciples indeed

and ye shall know the truth and the truth shall make you free First He instructs us to continue We cannot pick up the Word of God and put it down with yet still the expectation of receiving what it says Our continuance in the Word is the key to our forthcoming knowledge and revelation Jesus said Then are ye my disciples indeed Disciples are disciplined ones that recognize the order of God and will themselves to carry it out These orders carried out are the physical evidence of the disciplined spirits willed from the soul mind This is the order of God When your spirit heart is disciplined toward God your soul wills your body to follow through      **Death and Dignity** Timothy E. Quill, 1993 Addressing the options of terminally ill people a doctor who helped a dying patient commit suicide offers advice to help patients and families deal with these very personal decisions and shares examples from his practice and from letters that he has received      Life Is Choices Between Birth and Death.
