New York Times bestselling author Simon R Green Into the Thinnest of Air Simon R. Green, 2025-06-26 The New York Times bestselling author continues his genre bending Ishmael Jones noir mystery series in a tale of missing persons and murder For otherworldly investigator Ishmael Jones a chance to get away to the relaxing countryside doesn't come along every day or ever actually His paramour Penny is taking him to the grand reopening of the historic Cornwall inn known as Tyrone's Castle a place with a long dark history of smugglers murderers and sinister spirits What could go wrong A great deal as it turns out It begins after a cordial dinner with the other guests when one of the hosts disappears without a trace before she can even finish her dessert As fear and suspicion begin to infiltrate the inn another person vanishes and it seems as if the inn's dark history has awakened to claim a new slew of victims Ishmael doesn't believe there's anything supernatural or ghostly behind the night's events And the more he learns the more he's certain that the key to solving the mystery lies not in the past but the present Unfortunately he has no bodies no clues no witnesses no evidence of any chicanery whatsoever But for a man like Ishmael that just makes things a little more interesting **Death Shall Come** Simon R. Green, 2025-06-26 The New York Times bestselling author continues his otherworldly Ishmael Jones noir mystery series as an ancient mummy foreshadows a macabre murder Death shall come on swift wings to whoever desecrates this tomb So declared the supposed curse laid upon those who opened the tomb of Tutankhamun Ishmael Jones however is concerned with a different Egyptian altogether when he and his lady love Penny are personally tasked by the enigmatic Colonel to attend a very special event at the stately Cardavan House Specifically the exhibition of the sarcophagus of the very first queen in the line of Cleopatra an artifact beyond value The Colonel would like to know just how collector George Cardavan a supposedly trusted associate of the Organization managed to acquire it That investigation quickly turns into something much more insidious when the sarcophagus is found open with no mummy and George's brutally murdered corpse nearby Naturally whispers of deadly curses abound But Ishmael knows the killer is all too real the only question is who A member of the fractious Cardavan family A thief willing to kill for treasure Or is it something else Something far more dangerous Something that can be heard walking in the darkest corridors of Cardavan House searching for its next victim *Moonbreaker* Simon R. Green, 2017-07-13 From the New York Times bestselling author Simon R Green comes an exciting new adventure featuring supernatural super agent Eddie Drood Eddie Drood has finally cornered his archenemy after searching the galaxy end to end But before Eddie can strike Dr DOA strands Eddie and his girlfriend Molly Metcalf in an alternate universe where the Drood clan have been systematically murdered The key to their escape lies in this dimension's eerie and abandoned Drood Hall Among the ruins Eddie and Molly discover a mysterious creature who may be able to help them get home in exchange for a favor only a Drood could honor But Eddie must move quickly if he's to put a stop to Dr DOA definitively all the while reckoning with the fatal poison spreading through his body Drinking Midnight Wine Simon R. Green, 2014-07-28 There is a world beyond the world It figures Just when Bradfordian bookshop clerk Toby Dexter finally works up the nerve to talk to

his secret crush she darts into an open door Toby follows and in that second everything changes Though it still looks like Bradford on Avon the town suddenly chatty ATM and river mermaids are the first clues that something is quite out of place namely Toby The moment he stepped through that door Toby entered the magical parallel world of Mysterie Our ordinary dimension the one Toby knew as Bradford on Avon is actually Veritie a mere shadow of its alter ego Mysterie where magic and myth gods and monsters living legends and walking nightmares reign And Toby isn't the only recent arrival A cunning and vicious demon The Serpent's Son has returned to Mysterie accompanied by a malevolent new ally intent on bringing down both dimensions Toby can remain mortal return to Veritie and try to convince himself that he had a bad pint of bitter that night Or he can stay in Mysterie join forces with his new friends Leo Morn and his Brother Under The Hill and try to stop The Serpent's Son The choices Toby makes will have dramatic consequences for both worlds It may not be the first time Mysterie's wars have spilled over into our reality but if Toby fails it could be the last Simon R Green New York Times bestselling author of the Deathstalker series and the Nightside series brings his trademark wit and inventiveness to his beloved hometown of Bradford on Avon in this charming standalone urban fantasy novel **Sequels** Janet G.
