Deborah ; And, The Mountain of My Fear David Roberts,1991 Describes the tragedies frustrations and triumphs of two mountain climbing expeditions in Alaska **Deborah ; And, The Mountain of My Fear** David Roberts,1991 [Night Naked](#) Erhard Loretan,2016-09-07 Loretan is often credited with bringing fast and light style to the highest mountains New foreword by bestselling writer David Roberts On October 5 1995 Erhard Loretan became the third person to climb all fourteen 8000 meter peaks and the second to climb them without supplemental oxygen He also became one of only a handful of individuals to climb Everest via the Hornbein Couloir he and Jean Troillet completed the roundtrip climb in only 43 hours An influential climber Loretan s story has never before been told in English He writes with humor often deprecating his own accomplishments and he is shockingly honest On Cho Oyu for instance his climbing partner Pierre Alain Steiner fell hundreds of meters Loretan called out to what he assumed would be a corpse Unexpectedly Steiner called back Loretan writes knowing that what he is about to share is terrible that he felt no joy on hearing his friend s voice because rescue was impossible in so remote a place This title is part of our LEGENDS AND LORE series [Click here to learn more](#) [The Mountain of My Fear](#) David Roberts,1969 *Strange and Dangerous Dreams* Geoff Powter,2006 Every culture in every era has its adventure myths the golden hero willing to walk through fire elevates us all beyond our fears and limits But more often than commonly recognized there are darker reasons for dangerous pursuits When do mountains poles and oceans

become merely an incidental stage for a troubled psychodrama Where truly falls the line between adventure and madness Psychologist Geoff Powter looks into the lives of eleven adventurers he calls The Burdened The Bent and The Lost presenting previously unpublished information provided by witnesses friends and family **The Bond** Simon McCartney,2016-10-18 In 1977 Jack Roberts a California Stone Master and experienced young alpinist met Simon McCartney a highly motivated 22 year old Brit who had cut his teeth climbing in Europe with some of the most respected mountaineers of the time Over the next three years the pair enjoyed a magical partnership during which they completed two of the boldest and most audacious climbs in the history of Alaskan alpinism Then McCartney disappeared from the climbing scene entirely emerging now nearly 40 years later to tell the story The north face of Mount Huntington is one of the most dangerous walls in the Alaska Range and Denali s southwest face is one of the largest and most technically difficult Roberts and McCartney made the first ascents of both eschewing any notion of fixed ropes or siege tactics With success as their only option they got themselves to the foot of these faces with the bare minimum of gear and simply started climbing The ascent of Mount Huntington s north face was made in the summer of 1978 that of Denali s southwest face in 1980 These two legendary climbs created a stir at the time and a flurry of controversy and criticism followed the Denali climb Years later some people went so far as to suggest that the Huntington climb was a fake Jack Roberts passed away in 2012 without telling his side of the story publicly The Bond told primarily via McCartney s first person narrative and augmented by extracts from the diaries of Roberts and others shares for the first time the experience of these two challenging climbs and the strong bond forged between the two climbers It is in short the quintessential climbing story and the stuff of Legends and Lore **A Fine Line** Graham Zimmerman,2023-10-01 A Fine Line is more than just a recounting of remarkable expeditions summit views and thin air It s a story of resilience loss and the quest for a balanced and meaningful life in the unforgiving realm of high risk mountain sports Men s Journal Honestly portrays the highs and lows of a life dedicated to the outdoors Shares the author s development as an outspoken conservation advocate Story is rooted in the peaks of the Pacific Northwest Alaska and Pakistan How do we reconcile our love of outdoor adventure with the inevitability of loss in high risk sports Still in his thirties Graham Zimmerman has made first ascents from Alaska to Pakistan and in 2020 he received the Piolet d Or for his climb on Pakistan s Link Sar with Steve Swenson A sponsored athlete who is sought out as a climbing partner Zimmerman knows that he must find a balance between his ambitions as an alpinist and his social responsibilities as a husband climate advocate and community leader His generation has faced devastating grief in the mountains including the deaths of Kyle Dempster Hayden Kennedy and Inge Perkins and his cohort has witnessed firsthand the effects of climate change in the form of disappearing glaciers and increasingly erratic weather Zimmerman writes of the exhilaration he feels while climbing but also the painful realization that summiting at all costs is an outdated model As A Fine Line traces Graham s journey mountain lovers everywhere will see themselves in this coming of age story of adventure and personal reckoning **Contemporary Authors New Revision**
