Decentralised Planning The Karnataka Experiment:

Decentralised Planning Abdul Aziz, 1993-09-28 This book reviews the experience of decentralized planning in Karnataka from the perspective of micro level planning After an account of theoretical and methodological issues the author examines the institutional structure of decentralized governance in terms of its relevance to planning and implementation of projects at sub regional levels The functioning of local institutional structures is discussed in relation to people s participation evolution of priority structures and implementation of projects specifically those aimed at poverty alleviation Gaps in the planning process particularly those relating to bottom up linkages financial adequacy and autonomy are also highlighted

Handbook of Decentralised Governance and Development in India D. Rajasekhar, 2021-08-23 This handbook examines 25 years of decentralised governance and development in India It provides a historical overview of developments since the introduction of decentralisation reforms 73rd and 74th Constitutional Amendment Acts and critically assesses the measures initiated to strengthen decentralised institutions and deepen grassroots democracy It also discusses the status of service delivery and identifies the issues and challenges involved in achieving development at the local level The volume studies themes such as the devolution of powers in India administrative and fiscal decentralisation decentralised planning Panchayats in scheduled areas the sociological aspects of decentralisation caste gender and local democracy capacity building ICT for local governance urban local governance workfare and decentralisation and decentralised natural resource management It also looks at Panchayati Raj institutions from a Gandhian perspective The first of its kind this handbook will be an essential read for scholars and researchers of decentralisation and development development studies fiscal decentralisation political studies political sociology Indian politics Indian government public policy and governance political economy South Asian studies and South Asian politics

Decentralisation in Contemporary India D. Rajasekhar, R Manjula, M Devendra Babu, 2021-09-28 This volume examines the process of decentralisation in India since the 1992 legislation which devolved powers to local government bodies to ensure greater participation in local governance and planning It studies the functioning of gram sabhas panchayats school development committees water supply and sanitation committees Residents Welfare Associations and rural development schemes like the MGNREGS analysing their effectiveness and tracing the political administrative and fiscal powers the local government wields With case studies from different Indian states the book examines the functioning of local governance mechanisms and institutions in relation to crucial issues such as citizen participation the participation of women and disadvantaged groups fiscal decentralisation peace building economic development and education among others Comprehensive and insightful this book will be an essential read for scholars and researchers of development studies political science public policy governance studies regional development political economy political sociology public administration and South Asian studies especially those focusing on India

Decentralised Democracy in India M. V. Nadkarni, N. Sivanna, Lavanya Suresh, 2017-08-07 This book provides a vantage point of comparison

of the actual reality of decentralisation in India with Gandhi's vision of decentralised democracy or what he referred to as Gram Swaraj. It looks at the historical evolution of panchayats from ancient times to India's independence and critically discusses the developments after. It examines the functioning of the present Panchayati Raj Institutions (PRIs) and the performances of urban local bodies. The basic thrust of this work is the need for constitutional reforms meant to strengthen and deepen democracy. The book will be useful to those in political studies, policy studies, public administration and development studies.

Dynamics of New Panchayati Raj System in India: Select states G. Palanithurai, 2002

Contributed articles **Participatory Pathways: People's Participation in Development Initiatives** Balakrishnan, Rajiv, 2007. Participatory Pathways: People's Participation in Development Initiatives aims to create awareness about the issues that need to be tackled, provide a grassroots perspective of the promise and perils of participatory pathways and a glimpse of the role people's participation can play in building a better world. Covering topics like grassroots governance, gender and ethics, enabling frameworks and participatory planning, this book draws attention to participation's promise while emphasizing the need to take cognizance of the obstacles in the way.

Participatory Decentralised Planning

Sachinandan Sau, 2003. Contributed papers presented at the National Seminar on Participatory Decentralised Planning. Some Issues held in March 2003 at the Dept of Economics with Rural Development, Vidyasagar University.

Readings in

Decentralised Planning B. N. Yugandhar, Amitava Mukherjee, 1991. Papers presented at the Expert Group Meeting on Decentralised Planning organized by the Lal Bahadur Shastri National Academy of Administration, Govt of India at Mussoorie, 1990.

Decentralised Governance and Planning Abdul Aziz, 2002. This book is a comparative study of decentralisation processes in the three southern states viz Andhra Pradesh, Karnataka and Tamil Nadu. The book attempts at understanding the nature of Panchayati Raj system in these states. The case study method has been employed to analyse the experiment of decentralisation. A useful book for planners, policymakers and researchers of Indian politics.

Patterns of Decentralised Governance in Rural India R. C. Choudhury, S. P. Jain, 1999. The present volume contains state specific studies of the pattern of Panchayati Raj in the country as a whole. The idea being to make a situational analysis in different states and present a country wide picture at one place. Contributors include R C Choudhury, S P Jain, B K Thapliyal, K B Srivastava among many others.

Cover board of Vol I slightly bumped at top end corner. Text clean. Excellent condition.

Status of

Panchayati Raj in the States and Union Territories of India 2013 Institute of Social Sciences, 2014-01-01. Panchayat, the rural local government in India, is now part of the governance structure of the country. The Constitution Seventy-third Amendment Act 1992 defines it as mandatory for states to set up and hold regular elections to the three-tier panchayats. Panchayats have emerged as a third stratum of government in India's federal system. Panchayats' roots date back to the distant past. During the colonial period, it acquired some kind of formal structure. And in the post-independence period, there have been several attempts to institutionalize them. This volume traces the history of rural local

governments from the colonial period up to the present day The first publication in this series by the Institute was titled Status of Panchayati Raj in the States of India 1994 which recounted the story up to the adoption of the 73rd Constitution Amendment The second in the series was Status of Panchayati Raj in the States and Union Territories of India 2000 which continued detailed analysis of the working of panchayats at state district and block levels The present volume Status of Panchayati Raj in the States and Union Territories of India 2013 Provides an in depth analysis of the structures and functioning of the Panchayati raj institutions since 2000 Apart from an introduction which gives an overview of the Panchayati raj system the volume has special articles such as An Appraisal of Panchayats in Fifth Scheduled Areas Panchayats and Women and Fiscal Decentralization What is unique about this encyclopedic publication is that it provides exhaustive data on Blocks Talukas Mandals and Districts based on the 2001 and 2011 Census along with maps demographic data on the Districts and Blocks as also the socio economic profiles of each State and Union Territory Grass-Roots Democracy in India and China Manoranjan Mohanty, 2007-01-12 In both India and China economic reforms have generated challenges for local institutions This book studies the political experiences in India and China from an interdisciplinary perspective It examines the process of democratisation highlighting the demands for participation and the power structures interjecting them **Indian Journal of Social Science** ,1994 *Experiment of Direct Democracy* Yatindra Singh Sisodia, 2007 Village communities have been in existence in India for over centuries and panchayats have been an intimate part of the Indian culture Panchayat system is one of the unique democratic institutions evolved in India by country's own genius and ethos The post 73rd amendment phase has generated immense interest among the observers and experts who were keen to understand this significant change in the pattern of governance at the grassroots level In the continuation of the process of strengthening institutional governance at local level an innovation of Gram Swaraj system was introduced in Madhya Pradesh in 2001 The book is an attempt to identify document and comprehend the broad trends emanating from the field based on the experience of three years functioning of Gram Swaraj in Madhya Pradesh Three years is a short span of time for the dust to settle from such radical changes However it is important to understand and analyse the process and direction of institutionalisation of the present system and its status in the initial phase which would have a significant impact and critical lessons for charting out the future course of action for effective people centric development and governance not only in the state but across the country The book will interest a range of readers including researchers bureaucrats policy makers planners and those concerned with the development of rural India **Strategies for Rural Development in Ninth Plan** Dr. R. P. Singh, 2000 Papers presented at Seminar on Strategies for Rural Development in the Ninth Plan held during March 21-22 1997 at Hyderabad India **Yojana** ,1998 The Design and Management of Sustainable Projects to Alleviate Poverty in South Asia Economic Development Institute (Washington, D.C.), Asian Development Bank, Institute for Social and Economic Change, 1993 **Guide to Indian Periodical Literature** ,2004 **Economica** ,1994 ICSSR Journal of

Abstracts and Reviews ,1994
