Robin Maxson,1985-08 Practical and easy to read this thought provoking book shows readers how to find God's will for their lives Explore key principles of decision making and other Bible based truths Decision Making & the Will of God Garry Friesen, J. Robin Maxson, 1980 Does God have a perfect will for each Christian Does it matter Can you be absolutely sure of God's individual will for your life In an easy to follow narrative style Garry Friesen examines the prevalent views on God's will today then rejects them to propose a different view that he believes more accurately reflects biblical teaching This re release of Decision Making takes up the practical issues of choosing a mate picking a career giving of one's resources areas of disagreement between Christians to give readers a new approach to knowing the will of God **Decision Making (June Hunt Hope for the Heart)** June Hunt, 2013-06-12 Plenty of people are putting in their two cents but its all adding up to a lot of confusion You have an important decision to make and in the midst of swirling opinions youre left scratching your head about what to do Your best friend says one thing and your spouse says another but have you considered what does God want June Hunt a biblical counselor will show you how to overcome procrastination and peer pressure causes of confusion Gods promises for guidance how to develop spiritual discernment and how God reveals His will God delights in helping you navigate your way through the big and little decisions in life He desires His best for you in all things as He unfolds His perfect plan Doing things Gods way also leads to blessings and deters you from decision making methods that can prove to be harmful to you and to others Paperback 96 pages 4 x 7 inches **Decision Making God's Way** Gary T. Meadors, 2003-09-01 Many Christians are concerned with finding God's will for their lives In this fresh approach to decision making Gary Meadors emphasizes that the Bible exhorts followers to do God s will not to find it The Bible is clear on many matters but how can believers know God s will about issues the Bible does not directly address Meadors offers Christians an objective procedure for decision making one based on scriptural revelation as well as their biblical worldview and set of values Godly discernment does not depend on subjective criteria As believers learn to apply God's truth to daily decisions they will become more reflective and confident taking ownership in processing life s difficult choices Decision Making God s Way provides helpful thought provoking insight for Christians wanting to know God's plans for their life Free to Be Wise Kirk Youngblood, 2012-06 How can I know God s will for my life Should I expect God to reveal it to me mystically or has He already revealed His wisdom in Scripture which enables me to be wise in my decision making What faulty methods should I avoid in making decisions and how can I apply biblical wisdom Far too many have been paralyzed with indecision because they are looking for a mystical inside track to a new revelation from God In Free to Be Wise A Guide to Biblical Decision Making Kirk Youngblood explains how you can avoid the common pitfalls of using a mystical approach to biblical decision making You will be liberated to follow the wisdom God has already revealed in His Word Youngblood has thoroughly

researched this topic and explains the mysticism versus wisdom paths to learning God's will for your life in a clear and easy to understand manner The Bible gives clear instructions about how we are to live we are to walk in wisdom and take advantage of every opportunity to accomplish God's will Free to Be Wise will help you learn how to do so Pastor Kirk Youngblood deals with the most personal and practical issue that any Christian will ever face knowing and obeying God s will He incisively exposes wrong approaches balanced by an exposition of the authentic biblical way This book s breadth and depth ensures that the reader will never need another volume on God's will in order to consistently make God honoring decisions in life It deserves the must read label Richard Mayhue Th D Executive VP and Dean The Master's Seminary Sun How to Know the Will of God Wayne ODonnell, 2020-12-22 This book is about how to know God s will through the scriptures and wisdom instead of by supposedly hearing God's voice All my books can be read online for free at http wayneodonnell com Freely you have received freely give Mt 10 8 This booklet is included in and comprises several sections in my book Paul's Decision Making in Acts Anti Charismatic Pro Jewish Commentary on Acts In 1980 Garry Friesen wrote Decision Making and the Will of God a book that debunked the traditional view that God leads by inward impressions into His perfect specific will But Bible teachers continue teach prayer is a two way conversation churches continue to question pastoral candidates about their call to the ministry and Christians continue to try to discern God s inner voice to make decisions Maybe it would help if we had more scholarly journal articles on the topic Grudem I categorized the articles published in three refereed evangelical journals for the last five years before 2000 Westminster Theological Journal Trinity Journal and the Journal of the Evangelical Theological Society Not counting book reviews there were 257 scholarly articles on all topics But regarding God s guidance in our daily lives Zero articles Yet some understanding of God s guidance affects every Christian every day of his or her life Either Garry Friesen is right on that topic or he s wrong We should expect to see many more scholars contributing articles and books supporting and developing their viewpoints Christians in the book of Acts made their decisions by the Word and Wisdom not by listening for inward impressions I would love to read an exposition of the Book of Acts that showed Paul the other apostles and their co workers making most of their decisions by listening for inward impressions but it would require reading that doctrine into the text rather than expositing it out of the text Friesen In order to arrive at the conclusion of the traditional approach to decision making it is necessary to water down the biblical examples and spice up the biblical teaching Examples like in Acts are watered down to be less miraculous than they really are so we can think we re doing them too Biblical teaching like in the epistles must be spiced up to be more specific than it really is for example a promise to Israel to guide you continually Is 58 11 doesn't actually say anything about Christians being guided by inward impressions Paul made most of his decisions by the Word and Wisdom not by inward impressions and only rarely by direct revelation even though he was the apostle on the cutting edge of Jesus mission to bring the gospel to the Gentiles Most of Paul s decisions in Acts can be explained 17 principles he followed How Then Should We Choose?
