Small Group Decision Making B. Aubrey Fisher, Donald G. Ellis, 1990 *Communication and Group Decision Making* Randy Y. Hirokawa, Marshall Scott Poole, 1996-07-09 Communication and Group Decision Making takes stock of recent group communication research with an explicit focus on communication processes This book is recommended for academics professionals and researchers in communication and organization **Decision-making Group Interaction** Bobby R. Patton, Timothy M. Downs, 2003 Formerly entitled Decision Making Group Interaction the new edition of this popular small group book features a new title that reflects the substantial and exciting revision it has undergone Long known for its unique focus on issues of quality group interaction Patton strategic planning conflict management uses of technology in group contexts ethics benchmarking and quality assessment processes and how to present findings of a group project or work team For anyone interested in small group communication and or group decision making **New Directions in Group Communication** Lawrence R. Frey, 2002 New Directions in Group Communication takes as its mission the setting of the agenda for the study of group communication in the future It does so by presenting work that scholars have not previously explored in the current small group communication literature Part I focuses on new theoretical and conceptual directions both presenting new views and extending current positions Part II examines new research methodologies while Part III looks at antecedent factors affecting group communication Parts IV and V of the text provide insight into both group communication process and practices Part VI covers different group communication contexts including communication patterns in top management teams **Decision-making Group Interaction** Bobby R. Patton, Kim Giffin, 1978-01-01

The Handbook of Group Communication Theory and Research Lawrence R. Frey, Dennis Gouran, Marshall Scott Poole, 1999-07-08 The Handbook of Group Communication Theory and Research establishes a central resource for the field documenting and synthesizing the work done in group communication s 50 year history With contributions from the most experienced and respected scholars in the field the editors Lawrence R Frey Dennis S Gouran and Marshall Scott Poole present an overview of group communication study and examine a variety of theoretical positions and methodological practices The volume is divided into six broad areas of communication scholarship Foundations of group communication theory and research Individuals and group communication Task and relational group communication Group communication processes Group communication facilitation Group communication contexts and applications The sections serve as a crossroads where various paths pursued in each area meet summarize and suggest new maps and roads that need to be followed in the future Offering a comprehensive history of group communication theory and research and establishing new conceptual perspectives and research agendas for future group communication scholars this important resource will be an unrivalled tool for scholars researchers educators practitioners and students alike **Small Group Decision Making** B. Aubrey Fisher, 1980 **The Effect of Group Decision Support Systems on Decision-making Groups Containing High**

Communication Apprehensives Suzanne Jane Herrick Walker, 1991 **A Systems Approach to Small Group Interaction** Stewart L. Tubbs, 1992 Conceived as a core text for more theoretically based courses A Systems Approach to Small Group Interaction uses Tubbs systems model as a framework for explaining and integrating the major small group theories The book thus offers an opportunity to enable undergraduates to clearly view theories that are usually only found in more advanced books The new edition has been thoroughly updated to include over 100 new citations more practical applications of small group interactions plus new case studies and reading selections **A Social Psychology of Group Processes for Decision-making** Barry E. Collins, Harold Steere Guetzkow, 1964 *Communication Theory: Communication in organizations and groups* Peter Schulz, 2010 **Computer-mediated Versus Face-to-face Communication in Hierarchical Team Decision Making** Jennifer Hedlund, 1993 *Communication in Small Groups* John F. Cragan, David W. Wright, 1995 This text features comprehensive treatment of small group theory and discussion methods It teaches practical communication skills with balance of theory practice and case studies The 4th edition includes sections on focus groups interpersonal communication in small groups and group problem solving *The Managerial Decision-making Process* E. Frank Harrison, 1999 Rather than present decision making strictly as a quantitative science this text views it as a multidimensional process involving values psychology sociology social psychology and politics Using a process model a focus on the process of a decision rather than the outcome the book presents a variety of perspectives useful for making and evaluating decisions in all kinds of organizations SMALL GROUP RESEARCH , 1990 **A Study of Influence in Computer-mediated Decision Making** Ilze Zigurs, Marshall Scott Poole, Gerardine DeSanctis, 1987 **An Introduction to Group Work Practice** Ronald W. Toseland, Robert F. Rivas, 1998 The third edition includes a sharper focus on generalist practice and on typologies which illustrate group work practice both treatment groups and task groups at the micro meso and macro level Additions include a new chapter on leadership and diversity and new material on confidentiality tele

Leadership Michael Z. Hackman, Craig Edward Johnson, 2000 Provides a solid foundation for learning about the vital role of leadership in multiple contexts Allows students to explore the complexities of leadership and communication through examples case studies research highlights self assessments and application exercises **Coordination of Interdependent Activities** Michelle Marie Vician, 1994 Effective Group Discussion John K.
