Decisions And Other Stories:

Decisions and Other Stories Sis Deans, 1995-12-01 **Designers, Visionaries and Other Stories** Jonathan Chapman, 2012 *Designers Visionaries and Other Stories* unpacks the complex and crucial debates surrounding sustainable design to deliver a compelling manifesto for change at a time of looming ecological crisis mounting environmental legislation and limited progress This is a book about sustainable design by the leading sustainable design thinkers for creative practitioners professionals students and academics This challenging work provides the reader with a rich resource of future visions critical propositions creative ideas and design strategies for working towards a sustainable tomorrow today The authors boldly present alternative understandings of sustainable design to curate a challenging sometimes uncomfortable and always provocative collection of essays by some of the worlds leading sustainable design thinkers The result is an impacting and polemical anthology that reinvigorates the culture of critique that in previous years has empowered design with the qualities of social environmental and economic revolution [More Stories from Langley](#) Edward F. Mickolus, 2020-09 A collection of personal essays detailing the adventures advice and experience of generations of CIA analytic operational support and technical officers and managers **Rough Waters and Other Stories** Richard Lebow, 2023-11-24 *Rough Waters and Other Stories* is a collection of original stories addressing different ethical questions and dilemmas An introduction makes connections among the stories puts them in personal and political perspective and anchors them in a tragic understanding of life and ethics The characters in *Rough Waters and Other Stories* some based on real historical people must make or finesse ethical choices some of them straight forward others tragic in nature Tragic choices involve trade offs between seemingly irreconcilable but important goals Alternatively they entail committing ourselves to decisions or policies whose outcomes are uncertain We are desperate to avoid tragic choices and prone to convince ourselves often in the face of good evidence that we can satisfy all of our desires or needs instead of making difficult choices between or among them We also tend to convince ourselves that our decisions or policies will succeed in proportion to the degree that we feel compelled to commit to them A standard trope of Greek tragedy think here of Oedipus is that our choices sometimes lead directly to the outcomes we are trying desperately to avoid **A bachelor's establishment and other stories** Honoré de Balzac, 1898 *Media Literacy* W. James Potter, 2018-12-27 The essential guide to decoding messages in a media saturated world *Media Literacy* teaches students how to navigate through the overwhelming flood of information found in today's media saturated world Drawing from thousands of media research studies author W James Potter explores the key components to understanding the fascinating world of mass media Potter presents numerous examples and facts to help students understand how the media operate how they attract attention and how they influence the public The Ninth Edition has been thoroughly updated to evolve with the ever changing media landscape and features a new chapter on fake news debating what we as news consumers can do to recognize fake news in order to avoid

its influence Each chapter concludes with a set of exercises to help readers apply the chapter material to everyday life and engage in a step by step process to increase their own media literacy INSTRUCTORS Looking to develop your students media literacy skills Potter s Seven Skills of Media Literacy provides readers with the practical guidance they need to make substantial improvements on seven major skills Bundle the supplement with Media Literacy Ninth Edition for only 5 more Bundle ISBN 978 1 5443 9525 8 *A marriage settlement.
