Decisions A Christians Approach To Making Right Choices:

Decisions, a Christian's Approach to Making Right Choices Gloria Gaither, 1982 **Understanding Christian Ethics** William Tillman, 1988-05-25 The student church staff person layperson or professional ethicist searching for an introduction to contemporary ethical issues that is substantive enough for class room use yet functionally oriented toward the local church will find Understanding Christian Ethics invaluable Demystifying Decision-Making Aimee Joseph, 2021-12-22 Drawing Closer to God One Decision at a Time On an average day people makes countless decisions Should I get out of bed or hit the snooze button What should I have for breakfast Where should we go for this year s vacation While some decisions are easy to make others can leave individuals paralyzed and full of anxiety As Christians living in an increasingly individualistic society what s the best strategy for making decisions that honor God while becoming more like him in the process Writing from her own experience and pointing to biblical examples Aimee Joseph offers a biblical and theological framework for decision making She explains God's design for humans as decision makers the biblical model for making choices common wrong approaches practical tips and what to do when you ve made a poor decision With the philosophy that as we shape our decisions our decisions shape us Joseph teaches readers how to worship and draw closer to Christ through their daily decisions Practical Equips Christians to make decisions as God's image bearers Applicable Features study questions and helpful resources including The Dashboard of Decisions and a decision making flowchart Published in Partnership with the Gospel Coalition TGC Making Choices in Christ Rick D. Cunningham, 2005-11-03 I commend you for a well thought out informative and comprehensive work on the subject matter Your work provides a scriptural and informative approach that should be the pattern for effective decision making for every believer Bishop Edward Robinson Sr By letting God be the motivation of our inspiration we will be able to find true happiness and success that can only be found in Christ From the Foreword by author Rick Cunningham There are many factors in our lives that can influence the decisions we make By accepting that God has a personal plan for each of us we can learn to make decisions according to the His will Break the pattern of bad choices that keep you in a cycle of regret and guilt the assurance that you can make the right choices can be found in God God has given us tools to help us understand his personal plan for our lives In Making Choices in Christ author Rick Cunningham provides a step by step plan for making choices that will help you to enrich your quality of life through the following steps Identifying destructive behavior Being honest with yourself Facing challenges Understanding God's plan for you Using helpful tools for successful decision making Start a fresh relationship with our Lord today and allow him to guide you in Making Choices in Christ **How to Make the Right Decision Every Time** Karen Jensen Salisbury, 2015-01-06 How to Make the Right Decision Every Time reveals biblical and practical keys to help you find direction uncover your purpose discover God s will and get it right every time Decision Making and the Will of God Garry Friesen, J. Robin Maxson, 2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for each

Christian Can you be absolutely certain of God's specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God's will yet many are still unsure whether they ve found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God's will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God's will was biblically deficient Maybe there was a better way to understand HOW God guides How Then Should We Choose? Douglas S. Huffman, Henry and Richard Blackaby Garry Friesen and Gordon T Smith present three principal views on God's will and how his will should affect our everyday decisions as Christians

Ethics and Medical Decision-Making Michael Freeman, 2017-10-05 This title was first published in 2001 Ethical thinking about medical decision making has roots deep in history This collection of contemporary essays by leading international scholars traces the development of modern bioethics and explores the theory and current issues surrounding this widely contested field Decision Making God's Way Gary T. Meadors, 2003-09-01 Many Christians are concerned with finding God's will for their lives In this fresh approach to decision making Gary Meadors emphasizes that the Bible exhorts followers to do God s will not to find it The Bible is clear on many matters but how can believers know God s will about issues the Bible does not directly address Meadors offers Christians an objective procedure for decision making one based on scriptural revelation as well as their biblical worldview and set of values Godly discernment does not depend on subjective criteria As believers learn to apply God s truth to daily decisions they will become more reflective and confident taking ownership in processing life's difficult choices Decision Making God's Way provides helpful thought provoking insight for The Foundations of Christian Bioethics Hugo Tristram Christians wanting to know God's plans for their life Engelhardt, 2000 For decades Engelhardt has alluded to the ethics that binds moral friends While his Foundations of Bioethics explored the sparse ethics binding moral strangers this long awaited volume addresses the morality at the foundations of Christian bioethics The volume opens with an analysis of the marginalization of Christian bioethics in the 1970s and the irremedial shortcomings of secular ethics in general Drawing on the Christianity of the first millennium Engelhardt provides the ontological and epistemological foundations for a Christian bioethics that can remedy the onesidedness of a secular bioethics and supply the bases for a Christian bioethics The volume then addresses issues from abortion third party assisted reproduction and cloning to withholding and withdrawing treatment physician assisted suicide

and euthanasia Practices such as free and informed consent are relocated within a traditional Christian morality Attention is also given to the allocation of scarce resources in health care and to the challenge of maintaining the Christian identity of physicians nurses patients and health care institutions in a culture that is now post Christian The Value Orientations of Buddhist and Christian Entrepreneurs Gábor Kovács, 2020-07-30 This book is a comparative analysis of the value orientations of Buddhist and Christian entrepreneurs and how these values impact business The chapters review and analyze the concepts of Buddhist economics and the social teaching of the Roman Catholic Church The value orientations of Buddhist and Christian entrepreneurs are described by irreducible core values that correspond to the ontological conception the procedural dimension and the other directedness of a spiritual value commitment in business The book includes the reflections of Buddhist and Christian entrepreneurs about business spirituality profit the temporal perspectives of business and stakeholder management The cases testify that a spiritual value orientation can contribute to creating genuine ethical commitment The findings and the examples can encourage business scholars and practitioners to stop considering ethics as an instrument in the service of profit and serve as inspiration for integrating spirituality into business in a profound way This book will be of interest to scholars studying business ethics workplace spirituality and faith at work Practical Decision Making in Health Care Ethics Raymond J. Devettere, 2009-12-04 For nearly fifteen years Practical Decision Making in Health Care Ethics has offered scholars and students a highly accessible and teachable alternative to the dominant principle based theories in the field Devettere's approach is not based on an ethics of abstract obligations and duties but following Aristotle on how to live a fulfilled and happy life in short an ethics of personal well being grounded in prudence the virtue of ethical decision making This third edition is revised and updated and includes discussions of several landmark cases including the tragic stories of Terri Schiavo and Jesse Gelsinger the first death caused by genetic research Devettere addresses new topics such as partial birth abortion law embryonic stem cell research infant euthanasia in The Netherlands recent Vatican statements on feeding tubes organ donation after cardiac death new developments in artificial hearts clinical trials developed by pharmaceutical companies to market new drugs ghostwritten scientific articles published in major medical journals and controversial HIV AIDS research in Africa This edition also includes a new chapter on the latest social and political issues in American health care Devettere's engaging text relies on commonsense moral concepts and avoids academic jargon It includes a glossary of legal medical and ethical terms an index of cases and thoroughly updated bibliographic essays at the end of each chapter that offer resources for further reading It is a true classic brilliantly conceived and executed and is now even more valuable to undergraduates and graduate students medical students health care professionals hospital ethics committees and institutional review boards and general readers interested in philosophy medicine and the rapidly changing field of health care ethics Approaches to Christian Decision Antonio B.
