Decline Of Arab Unity:

The Decline of Arab Unity Elie Podeh, 2015-01-01 Analyses the political and socio economic processes that led to the rise and fall of the UAR as well as the ramifications of this episode on the Arab world This book tells the story of this important yet neglected episode in Arab history It is based on the archiveal material located in the US Britain Canada Israel and sources in Arabic

Nasser's Egypt, Arab Nationalism, and the United Arab Republic James P. Jankowski, 2002 During the crucial decade of the 1950s in Egypt both Gamal Abdel Nasser and the idea of Arab nationalism were assuming more and more influence in Egypt and the greater Arab world Exploring this phenomenon James Jankowski also offers important insights into the political context in which Nasser maneuvered Jankowski focuses on the period from the 1952 Revolution in Egypt to the dissolution of the short lived union of Egypt and Syria in 1961 and on the outlook and actions of Nasser the dominant figure in Egypt s new revolutionary regime Concisely and convincingly he identifies the unique blend of ideological and practical considerations that led Egypt to a progressively deeper involvement in Arab nationalism He draws on newly available materials from the U S and British archives and on the memoir literature now available in Arabic to present a detailed reconstruction of this formative period in Egyptian political history Jankowski traces Egypt s and Nasser s movement from a peripheral to a central position in Arab nationalist politics

Language, Ideology and Sociopolitical Change in the Arabic-speaking World Lian Chaoqun Lian, 2020-05-28 This book offers a critical interpretation of how the meta linguistic LPLP discourse of major Arabic language academies from the turn of the twentieth century until the present day continuously burden language with extra linguistic sociopolitical meanings making it a proxy for the protracted courses of national identity negotiation counter peripheralisation in the modern world system and modernisation Integrating theories of language symbolism language indexicality LPLP habitus banal nationalism world system and perspectives of Critical Discourse Analysis the book develops our understanding of the phenomenon and mechanism of the entanglement between language ideology and sociopolitical change in the Arabic speaking world and beyond

Zionism: Conflict without end? Alan Hart, 2009 Volume III takes the story from the 1967 War and the creation of Greater Israel to the present and explores the question Can President Obama deliver acceptable justice for Palestinians to achieve peace and if not is a final round of Zionist ethnic cleansing inevitable

The Rise, Corruption and Coming Fall of the House of Saud Saïd K. Aburish, 2005-08-15 The explosive story of the dynasty whose greed and corruption have brought Saudi Arabia to the very brink of bankruptcy a dynasty now on the verge of collapse

How Enemies Become Friends Charles A. Kupchan, 2012-03-25 How nations move from war to peace Is the world destined to suffer endless cycles of conflict and war Can rival nations become partners and establish a lasting and stable peace How Enemies Become Friends provides a bold and innovative account of how nations escape geopolitical competition and replace hostility with friendship Through compelling analysis and rich historical examples that span the globe and range from the thirteenth century through the present foreign policy expert Charles

Kupchan explores how adversaries can transform enmity into amity and he exposes prevalent myths about the causes of peace. Kupchan contends that diplomatic engagement with rivals far from being appeasement is critical to rapprochement between adversaries. Diplomacy not economic interdependence is the currency of peace concessions and strategic accommodation promote the mutual trust needed to build an international society. The nature of regimes matters much less than commonly thought. Countries including the United States should deal with other states based on their foreign policy behavior rather than on whether they are democracies. Kupchan demonstrates that similar social orders and similar ethnicities, races or religions help nations achieve stable peace. He considers many historical successes and failures including the onset of friendship between the United States and Great Britain in the early twentieth century, the Concert of Europe which preserved peace after 1815 but collapsed following revolutions in 1848 and the remarkably close partnership of the Soviet Union and China in the 1950s which descended into open rivalry by the 1960s. In a world where conflict among nations seems inescapable, *How Enemies Become Friends* offers critical insights for building lasting peace. Rise and fall Dr Ridvan Bari Urcosta, 2025-11-21. From Lenin's vision of global revolution to Gorbachev's strategic withdrawal from the Global South, the USSR viewed the Middle East as a pivotal arena for ideological contestation and geopolitical influence. This book traces the rise, zenith and eventual decline of the Soviet Red Star in the Middle East, offering a comprehensive historical and conceptual analysis of the Soviet Union's grand strategy in the Middle East from 1917 to 1991. Drawing on extensive archival research from Polish, Ukrainian, NATO and Soviet era sources as well as employing a multidisciplinary approach grounded in strategic studies, international relations and Cold War historiography, this study uncovers the ideological, geopolitical, military and economic dimensions of Soviet engagement in the region. In doing so, it also reveals the ongoing relevance of this history for Russia's contemporary engagement in the Middle East and beyond, especially in the light of Russia's 2014 annexation of Crimea and 2022 invasion of Ukraine. **The Transnational Middle East** Leïla Vignal, 2016-10-04. The Middle East has been undergoing new crises since the powerful socio-political uprisings known as the Arab Spring took place in several countries in 2011. Some countries are experiencing a long-term collapse of their political and social structures out of internal conflicts and external interventions. *The Transnational Middle East* posits that in the Middle East, the development of regional dynamics of processes and circulations of all kinds can be documented. In this regard, the approaches it develops, bottom-up regionalisation, globalisation from below, allow for a better understanding of the ways in which the Middle East is part of global transformations. The book analyses how, through their practices, Middle East societies elaborate a regional space which is not institutionalised. Based on fieldwork in the Middle East, the book provides venues for further theoretical elaboration on globalisation and contemporary societies as well as on processes of regionalisation. It draws on the emergence of genuine regional spaces of culture, art, economic activity, human circulation which supplement and do not contradict other infra-national, national or global social processes. As in other areas of the world, these transformations are to a large extent the

mode of the Middle East's insertion into globalisation In this respect they go against standard narratives of the supposed exceptionalism of the region This book will be a great contribution to comparative politics Middle Eastern studies globalisation and international relations *Near East/South Asia Report* ,1986 *Politics and Change in the Middle East* Roy Andersen,Robert F. Seibert,Jon G. Wagner,2009 This edition presents an intensive update of facts figures and events It contains extensive discussion of democracy and contains an abundance of visual aids and maps *Facets of Arab Nationalism* Hans Emanuel Tütsch,1965 **Journal of the Royal Society of Arts** Royal Society of Arts (Great Britain),1924
History in Dispute Benjamin Frankel,2000 This volume focusing on the Middle East since 1945 presents entries with a brief statement of opposing points of view a summary of the issue and two or more essays giving the sides of the dispute
The Middle East ,2000 **The Jerusalem Journal of International Relations** ,1990 *Middle East Record* Dishon,1973-10 **Theory and Practice of Liberation at the End of the XXth Century** Fondazione internazionale Lelio Basso per il diritto e la liberazione dei popoli,Lelio Basso International Foundation for the Rights and Liberation of Peoples,1988 Journal of South Asian and Middle Eastern Studies ,2003 **Editorial Research Reports** ,1929 **Daily Report** ,1994
