Davidson, 2016-04-30 Explaining why some states seek the status quo and others seek revision in international relations Davidson argues that governments pursuing revisionist policies are responding to powerful domestic groups such as nationalists and those in the military that believe they can defeat their rivals He draws on examples of France Italy and Great Britain to enhance understanding of a fundamental source of instability in international affairs      *Empire and Identity* Fredrik Lindström, 2008 Examines questions of identity and self understanding in six life careers in the Austrian intellectual and political elite This title also presents fresh perspective on the six examined individuals whose scholarly artistic and bureaucratic careers are placed in a political context      **Empire to Nation** Joseph W.
