# The Decline of Power 1915-1964

## The Paladin History of England

**The Decline of Power** deals with the period from the disintegration of the Liberal Party as a major force in British politics in 1915 to the election of a Labour government under Harold Wilson in 1964. It covers British politics during a turbulent half century that saw many profound social and political changes.

Perhaps the most important was the decline of England as a major imperial power. It was connected with the two world wars – a major theme in this book. Robert Blake skilfully charts the steps by which the sea-based British Empire declined from its former grandeur and the modern world became dominated by great land-based powers, the USA and the USSR.

This brilliant portrait of a complex and fraught period, enlivened and illuminated by the author's customary wit, scholarship and wisdom, is a major contribution to understanding the history and events of our century.

'One of the great strengths of the book is Lord Blake's capacity to sum up, to come to judgments which seem, at least to this reviewer, both illuminating and correct . . . This book can be read with great profit by anyone interested, even remotely, in 20th century British history'

## **Decline Of Power 1915 1970:**

**Modern England, 1901-1984** Alfred F. Havighurst, 2004-07-08 The most comprehensive bibliography of printed books articles and standard texts on twentieth century England

**The River Nile in the Age of the British** Terje Tvedt, 2004-03-26 The Nile today plays a crucial role in the economics politics and cultural life of ten countries and their more than 300 million inhabitants No other international river basin has a longer more complex and eventful history than the Nile In telling the detailed story of the hydropolitics of the Nile valley in a period during which the conceptualisation use and planning of the waters were revolutionised and many of the most famous politicians of the twentieth century Churchill Mussolini Eisenhower Eden Nasser and Haile Selassie played active parts in the Nile game this work will stand as a case study of a much more general and acute question the political ecology of trans national river basins

*The Longman Handbook of World History Since 1914* Chris Cook, John Stevenson, 1991 A reference work for teachers and students of modern world history from 1914 to the late 1980s It brings together chronological statistical and tabular information and covers not only political and diplomatic events but the broader fields of social and economic history

**Britain's Retreat from East of Suez** Saki Dockrill, 2002-07-09 This book based on recently declassified documents in Britain and the USA is the first detailed account of Britain's East of Suez decision which was taken by the Harold Wilson Government in 1967-68 Contrary to received opinion the author argues that the decision was not taken hastily as a result of the November 1967 devaluation Nor is there any hard evidence to support the notion that there existed a Pound Defence deal with the USA Despite Washington's pressure to maintain Britain's East of Suez role the decision was taken by the Labour Government on the basis of a long term effort to re-examine Britain's world role since 1959 and it marked the end of an era for postwar Britain
