The Dedalus Book of Austrian Fantasy, 1890-2000 Mike Mitchell (Translator), 2003 Ever since the fin de siecle Austrian literature has been fertile ground for fantasy in the widest sense and the genre was taken up again by new generations after the Second World War The Dedalus Book of Austrian Fantasy 1890 2000 contains stories from authors of the 1890s Schnitzler Hofmannsthal the years around the First World War Kafka Meyrink the post war era when Kafka was rediscovered Jeannie Ebner Ilse Aichinger to the present day H C Artmann Michael Koehlmeier The stories range from the freudian to the kafkaesque to the surreal grotesque comic occult and straightforwardly supernatural A S Byatt described it in The Guardian as one of the best anthologies she has ever read The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes. The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies. The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient websites past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature Prague Palimpsest Alfred Thomas, 2010-10-15 A city of immense literary mystique Prague has inspired

writers across the centuries with its beauty cosmopolitanism and tragic history Envisioning the ancient city in central Europe as a multilayered text or palimpsest that has been constantly revised and rewritten from the medieval and Renaissance chroniclers who legitimized the city s foundational origins to the modernists of the early twentieth century who established its reputation as the new capital of the avant garde Alfred Thomas argues that Prague has become a paradoxical site of inscription and effacement of memory and forgetting a utopian link to the prewar and pre Holocaust European past and a dystopia of totalitarian amnesia Considering a wide range of writers including the city s most famous son Franz Kafka Prague Palimpsest reassesses the work of poets and novelists such as Bohumil Hrabal Milan Kundera Gustav Meyrink Jan Neruda V t zslav Nezval and Rainer Maria Rilke and engages with other famous authors who wrote Prague including Guillaume Apollinaire Ingeborg Bachmann Albert Camus Paul Celan and W G Sebald The result is a comparative interdisciplinary study that helps to explain why Prague more than any other major European city has haunted the cultural and political imagination of the West **Out of This World** Rachel S. Cordasco, 2021-12-28 The twenty first century has witnessed an explosion of speculative fiction in translation SFT Rachel Cordasco examines speculative fiction published in English translation since 1960 ranging from Soviet era fiction to the Arabic language dystopias that emerged following the Iraq War Individual chapters on SFT from Korean Czech Finnish and eleven other source languages feature an introduction by an expert in the language's speculative fiction tradition and its present day output Cordasco then breaks down each chapter by subgenre including science fiction fantasy and horror to guide readers toward the kinds of works that most interest them Her discussion of available SFT stands alongside an analysis of how various subgenres emerged and developed in a given language She also examines the reasons a given subgenre has been translated into English An informative and one of a kind quide Out of This World offers readers and scholars alike a tour of speculative fiction s new globalized era Historical **Dictionary of Fantasy Literature** Brian Stableford, 2005-09-29 This Historical Dictionary of Fantasy Literature provides an invaluable guide to the current state of the field The chronology tracks fantasy s evolution from the origins of literature until the 21st century The introduction explains the nature of the impulse to create and shape fantasy literature the problems in defining what it is and the reasons for its changing historical fortunes. The dictionary includes more than 700 entries on authors both contemporary and historical and more than 200 entries on fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies Tearaway Hans Jakob Christoph von Grimmelshausen, 2003 The author the aging Simplicissimus and his former comrade Tearway a character from Simplicissimus happen to meet in a village inn First of all the author describes how he was caught by Courage and her band of gypsies and conned into writing her life story for her In the main part of the novel Tearaway then recounts his adventurous life which takes him through the horrors of the Thirty Years War and then to Hungary to fight against the Turks later to Italy and Greece He ends up as a one legged fiddler

travelling round Germany playing begging stealing and cheating The narrative includes tales of trickery sorcery and magic some revolving round Tearaway s wife who discovers a magic bird s nest which makes her invisible and which she uses it for various escapades including cuckolding Tearaway until she is caught and killed Despite the fantastic elements of some episodes the novel is told in the same down to earth often earthy style of Grimmelshausen's other novels Hermann Ungar, 2004 Josef Blau is a high school teacher who comes from a poor background poorer than that of most of his pupils The insecurity this causes him leads to an obsession with order and discipline He senses his pupils watching him waiting for the slightest weakness the least infringement he feels will lead to the complete collapse of this tightly ordered world The other focus of his obsession is his attractive wife Despite al the evidence and her assurances he cannot believe she will be faithful to him He forces her to shave her hair and wear clothes that are no more than shapeless sacks yet still cannot conquer his fears Catastrophe is looming and once the first breach is made inevitable We are all schoolchildren Blau says in one great class The Absurd in Literature Neil Cornwell, 2006-10-31 Neil Cornwell s study while endeavouring to present an historical survey of absurdist literature and its forbears does not aspire to being an exhaustive history of absurdism Rather it pauses on certain historical moments artistic movements literary figures and selected works before moving on to discuss four key writers Daniil Kharms Franz Kafka Samuel Beckett and Flann O Brien The absurd in literature will be of compelling interest to a considerable range of students of comparative European including Russian and Central European and English literatures British Isles and American as well as those more concerned with theatre studies the avant garde and the history of ideas including humour theory It should also have a wide appeal to the enthusiastic general reader

The Book Review Digest ,2003 Vivo Mike Mitchell (Translator), 2008 Here is the first English bio of the cult author of The Golem written by a prize winning scholar The remarkable life and the fantastic legend that was Meyrink allowing him and those who knew him to speak in their own words wherever possible The illegitimate son of an aristocratic politician and an actress Meyrink established himself as a banker in Prague while achieving notoriety as a dandy and rake while also being a successful sportsman About to commit suicide he chanced on a pamphlet about life after death put his revolver away and started a lifelong interest in the occult He unmasked false mediums and experimented with alchemy drugs and clairvoyancy until an affair of honor led him to challenge the whole of the Prague officer corps setting machinations in motion which resulted in his being wrongly imprisoned His bank then collapsed and he became a writer Stories collected around him so that it is often difficult to distinguish fact from fiction The Guardian Index ,2003 The British National Bibliography Arthur James Wells, 2004 Poe Studies/dark Romanticism ,2003 Books in Print ,2006 Forthcoming Books Rose Arny,2003-04 The Publishers Weekly ,2003 Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen ,2006 Hofmannsthal, 2003 13 Kapitel Liebe aus der Hölle Paul Leppin,2007
