Deeds Of God In Rddhipur:

The Deeds of God in Rddhipur Anne Feldhaus,1984 Translated here for the first time this medieval Hindu text is held sacred to the Mahanubhava sect of western India whose literature was written in cipher and kept secret from all outsiders until the twentieth century Its unusual themes derive from the wildly and often amusingly eccentric behavior of its protagonist Gundam Raul who is venerated by the mahanubhavas as an incarnation of the one God Feldhaus s introduction supplies essential background information

The History of Sacred Places in India as Reflected in Traditional Literature ,2023-07-17 **The History of Sacred Places in India As Reflected in Traditional Literature** Hans Bakker,1990 *Religious Individualisation* Martin Fuchs,Antje Linkenbach,Martin Mulsow,Bernd-Christian Otto,Rahul Bjørn Parson,Jörg Rüpke,2019-12-16 This volume brings together key findings of the long term research project Religious Individualisation in Historical Perspective Max Weber Centre for Advanced Cultural and Social Studies Erfurt University Combining a wide range of disciplinary approaches methods and theories the volume assembles over 50 contributions that explore and compare processes of religious individualisation in different religious environments and historical periods in particular in Asia the Mediterranean and Europe from antiquity to the recent past Contrary to standard theories of modernisation which tend to regard religious individualisation as a specifically modern or early modern as well as an essentially Western or Christian phenomenon the chapters reveal processes of religious individualisation in a large variety of non Western and pre modern scenarios Furthermore the volume challenges prevalent views that regard religions primarily as collective phenomena and provides nuanced perspectives on the appropriation of religious agency the pluralisation of religious options dynamics of de traditionalisation and privatisation the development of elaborated notions of the self the facilitation of religious deviance and on the notion of dividuality

Spaces and Places in Western India Bina Sengar,Laurie Hovell McMillin,2019-09-05 This book studies places and spaces in Western India both as geographical locations and as imagined constructs It uncovers the rich history of the region from the perspective of places of pilgrimage commerce community expression and indigeneity The volume examines how spaces are intrinsically connected to the lived experiences of people It explores how spaces in Western India have been constructed over time and how these are reflected in both historical and contemporary settings in the art architecture political movements and in identity formation The rich examples explored in this volume include sites of Bhakti and Sufi literature Maharashtrian Sikh identity Mahanubhav pilgrimage monetary practices of the Peshwas and the internet as an emancipatory space for the Dalit youth in Maharashtra The chapters in this book establish and affirm the forever evolving cultural topography of Western India Taking a multidimensional approach this book widens the scope of academic discussions on the theme of space and place It will be useful for scholars and researchers of history cultural studies geography the humanities city studies and sociology

India's Agony Over Religion Gerald James Larson,1995-02-16 Presents the contemporary religious crisis in India providing historical

perspective and focusing on the crises in Punjab Kashmir and Ayodhya In the Absence of God ,1992 The fourteenth century Marathi text entitled Smrtisthal is an account of the development of the Mahanubhav sect of western India in the first generation after the death of its founder the divine incarnation Cakradhar It records events in the period of leadership of Nagdev Cakradhar s appointed successor Written by members of the group for members of the group shortly after Nagdev s death Smrtisthal provides an exceptionally detailed and delightfully unembarrassed portrait of a religious movement seeking to perpetuate the inspiration of its founder Cakradhar taught an exclusive devotion to a single god and rejected devalued or ignored many of the social and religious forms of orthodox Hinduism He included among his followers people of all castes and of both sexes he used the regional language Marathi instead of Sanskrit and he opposed polytheism image worship and pilgrimage to Hindu holy places Instead he prescribed for his disciples a life of constant solitary wandering The teachings of the divine incarnation would have been difficult enough to follow during his lifetime but they were all the more difficult after his death Smrtisthal shows Cakradhar s disciples attempting to apply his teachings in his absence It shows the beginnings of a cult of relics and a tradition of pilgrimage to places where Cakradhar had been it tells of the composition of early scriptures and it depicts the attempt to create the forms the rituals and rules by which to perpetuate a teaching that had originally opposed such forms In this volume two of the foremost scholars of Maharashtrian religion not only provide readers with the first complete translation of Smrtisthal but also offer an extensive introduction and three indexes illuminating a series of features important both to the history of this particular sect and to the general history of religions Anne Feldhaus and Shankar Gopal Tulpule show that in its detailed depiction of the formation of the Mahanubhav sect Smrtisthal contributes in an especially significant way to understanding the manner in which various branches of the Hindu bhakti movement became established In doing so they also speak to more universal questions concerning how religious traditions begin and become established particularly those that trace their origins to a movement away from the accepted canons and conventions of the day

The Games of Gods and Man Klaus-Peter Köpping,1997 The problems of games and play a basic ontological category of thought and action have long occupied culture historians like Huizinga and Caillois as well as mainstream modern philosophers from Heidegger to Gadamer The present volume traces the concept of the ludic in its generative as well as in its violent and destructive potential and relates the traditional concepts developed in particular by Romantic aesthetics in drama

and poetry to those developed in modern times in literary genres by Bakhtin with the emphasis on the tropes of the performing body The great variety of theoretical frameworks is grounded in and connected to empirical data on ritual processes and mythic structures across a wide spectrum of ethnographic evidence The collected essays connect notions of the ludic as framed performance proposed by Bateson and Goffman with the ludic as free play with the potential to possess the player crossing disciplinary boundaries and discourses from theatre studies to anthropology Forms of ritual processes of mythic games and of cultural reflexivity together with intriguing and universal tropes of myth and literature such as the figures of the trickster and the fool are treated in cross cultural perspectives These include Indian Greek and Germanic mythologies Indian ritual dance and prophetic theatre plays in Ancient Israel Bushmen syncretic religious services the diverse forms of self reflexive play among Brazilian Kayapo Indians and the plays and games among the inmates of concentration camps The volume should appeal to students of anthropology of theatre and cultural studies as well as to culture historians and philosophers concerned with the interface between ritual and play or player and audience and the larger issue of the rules of games and the freedom of the hermeneutic interpretation of text through performances
