Deep Divide Why American Women Resist Equality:

The Deep Divide Sherrye Henry,1994 Why do 80 percent of women say they want true equality on the job in relationships when so many disavow the movement which fights for these goals Drawing on the results of ten focus groups and a national poll of six hundred women Sherrye Henry answers these questions and shows readers how to stop this trend

The Columbia Guide to America in the 1960s David Farber,Beth Bailey,2003-04-09 The 1960s continue to be the subject of passionate debate and political controversy a touchstone in struggles over the meaning of the American past and the direction of the American future Amid the polemics and the myths making sense of the Sixties and its legacies presents a challenge This book is for all those who want to take it on Because there are so many facets to this unique and transformative era this volume offers multiple approaches and perspectives The first section gives a lively narrative overview of the decade s major policies events and cultural changes The second presents ten original interpretative essays from prominent historians about significant and controversial issues from the Vietnam War to the sexual revolution followed by a concise encyclopedia articles organized alphabetically This section could stand as a reference work in itself and serves to supplement the narrative Subsequent sections include short topical essays special subjects a brief chronology and finally an extensive annotated bibliography with ample information on books films and electronic resources for further exploration With interesting facts statistics and comparisons presented in almanac style as well as the expertise of prominent scholars The Columbia Guide to America in the 1960s is the most complete guide to an enduringly fascinating era

Gentle Warriors Barbara Stuhler,1995 Author is an alumna of Evanston Township High School class of 1941

To Have and to Hold Jessica Weiss,2000-04-15 Drawing on interviews with American couples from the 1950s to the 1980s Weiss creates a dynamic portrait of family and social change in the postwar era She then pairs these firsthand accounts with deft analysis of movies magazines and advice books from each decade providing an intimate look at ordinary marriages in a time of sweeping cultural change 8 halftones

The Movement Clara Bingham,2024-07-30 This is the first oral history of the decade that built the modern feminist movement Through the individual voices of the people who lived it The Movement tells the intimate inside story of what it felt like to be at the forefront of the modern feminist crusade when women rejected thousands of years of custom and demanded the freedom to be who they wanted and needed to be From Betty Friedan s *The Feminine Mystique* to the underground abortion network the Janes to Shirley Chisholm s presidential campaign and Billie Jean King s 1973 battle of the sexes Bingham weaves together the fragments of that explosion person by person bringing to life the emotions of this personal cultural and political revolution

Speaking of Sex Deborah L. Rhode,1999 *Speaking of Sex* explores a topic that frequently is absent

from our discussions about sex the persistence of sex based inequality and the cultural forces that sustain it On critical issues affecting women most Americans deny either that gender inequality is a serious problem or that it is one which they have a personal or political responsibility to address In tracing this no problem problem Speaking of Sex examines the most fundamental causes of women s disadvantages and the inadequacy of current public policy to combat them The Case for Gay Rights David A. J. Richards,2005 As Americans wrestle with debates over traditional values defense of marriage and gay rights reason often seems to take a back seat to emotion In response legal scholar Richards reflects upon the constitutional and democratic principles relating to privacy intimate life free speech tolerance and conscience that underpin these often heated debates The distillation of Richards s thirty year advocacy for the rights of gays and lesbians his book provides a reflective treatise on basic human rights that touch all of our lives He places in context two key Supreme Court cases the 1986 Bowers v Hardwick decision and the 2003 Lawrence v Texas decision which overturned it Drawing upon his own experiences as a gay man Richards interweaves personal observations with philosophical political judicial and psychological insights to make a case that gays should be entitled to the same rights and protections that every American enjoys From publisher description *On the Issues* ,1995 **Free Speech and the Politics of Identity** David A. J. Richards,1999 Free Speech and the Politics of Identity challenges the scholarly view as well as the dominant legal view outside the United States that the right of free speech may reasonably be traded off in pursuit of justice to stigmatized minorities These views appeal to an alleged reasonable balancebetween two basic human rights the right of free speech and the right against unjust discrimination Compelling arguments of normative political theory and interpretative history show however that these rights are structurally linked the abridgement of one compromises the other To make thiscase David Richards offers an original political theory of toleration and of structural injustice that addresses the nature and scope of the right of free speech and the right against unjust discrimination its analytic focus is on the role played by members of subordinated groups in the protest ofthe terms of structural injustice the politics of identity advancing constitutional justice under law While the argument is developed on the basis of American constitutional experience from the antebellum period forward its normative force is brought to bear both in defending and criticizing some aspects of American law and in challenging the continuing legitimacy of laws against group libel obscenity and blasphemy under national legal systems including Germany France Britain Canada Israel India South Africa and others regional systems the jurisprudence of the EuropeanCourt of Human Rights and public international law The book s innovative normative and interpretative methodology calls for a new departure in comparative public law in which all states responsibly address their common problems not only of inadequate protection of free speech but correlativefailure to take seriously the continuing political power of such evils as anti Semitism racism sexism and homophobia Identity and the Case for Gay Rights David A. J. Richards,1999 Examines the link between gay rights and three successful civil rights movements black civil rights feminism and religious toleration and explains how

those three movements can serve as an example for the gay civil rights movement *Lessons in Leadership from Your Neighborhood* Bunny Holman, Larry Holman, 1998 **New Books on Women and Feminism** ,1993 **The Nation** ,1996-07 *Feminism and Love* Ruth Whitney, 1998 Presents a new vision of feminism and love **Female Executive Stress Syndrome** Sylvia Gearing, 1994 Provides information for female executives about identifying stress in the work place and finding ways to cope with it **Family, State and Law** Michael D. A. Freeman, 1999 With chapters on feminism and the public private distinction reason and feeling in thinking about justice the domestication of violence in mediation women and fathers and licensing parents this provides comprehensive coverage of family law Whatever Happened to the Year of the Woman? Amy H. Handlin, 1998 In the stunning election of 1992 more women won congressional seats than in the previous 20 years Four new female senators were elected Record numbers of women snared seats in the state legislatures **Book Review Digest** ,1996 **Taking Sides** Stephen Satris, 2002 Contains nineteen pairs of essays that present opposing viewpoints on issues of morality and moral philosophy discussing feminism abortion human cloning affirmative action the legalization of drugs animal rights and other topics
