Annual Meeting** Organization of American Historians. Meeting, 1997      **Program** Organization of American Historians. Meeting, 1996      *American Political Mythology from Kennedy to Nixon* Richard Bradley, 2000 Examining American politics society and culture from Kennedy to Nixon this book ties all of these elements together and explains the political mythology that has made this period one of the most fascinating and important epochs in American history One of the strengths of the book is that it not only demonstrates but also explains the deeper mechanisms behind our continual fascination with these three particular presidents From the Kennedy assassination through Vietnam and Watergate a complex web of historical events is untangled and lucidly explained There have been few efforts to examine the nature of Kennedy's continual appeal but no work thus far has attempted to place Kennedy Johnson and Nixon in one coherent framework that not only explains

our fascination indeed obsession with these individuals but also illuminates the period in history they so dominated **The War Conspiracy** Peter Dale Scott, 2013-09-03 Peter Dale Scott examines the many ways in which war policy has been driven by accidents and other events in the field in some cases despite moves toward peace that were directed by presidents This book explores the deep politics that exerts a profound but too little understood effect on national policy outside the control of traditional democratic processes An important analysis into the causes of war and the long lasting effects that major events in American history can have on foreign and military policies The War Conspiracy is a must read book for students of American history and foreign policy and anyone interested in the ways that domestic tragedies can be used to manipulate the country's direction First published in 1972 this edition of The War Conspiracy is fully updated for the twenty first century and includes two lengthy additional essays one on the transition in Vietnam policy in the wake of the Kennedy assassination and the other discussing the many parallels between that 1963 event and the attacks of 9 11 Final Judgment Michael Collins Piper, 2004 The controversial US underground bestseller **Pretext for Mass Murder** John Roosa, 2006-08-03 In the early morning hours of October 1 1965 a group calling itself the September 30th Movement kidnapped and executed six generals of the Indonesian army including its highest commander The group claimed that it was attempting to preempt a coup but it was quickly defeated as the senior surviving general Haji Mohammad Suharto drove the movement's partisans out of Jakarta Riding the crest of mass violence Suharto blamed the Communist Party of Indonesia for masterminding the movement and used the emergency as a pretext for gradually eroding President Sukarno's powers and installing himself as a ruler Imprisoning and killing hundreds of thousands of alleged communists over the next year Suharto remade the events of October 1 1965 into the central event of modern Indonesian history and the cornerstone of his thirty two year dictatorship Despite its importance as a trigger for one of the twentieth century's worst cases of mass violence the September 30th Movement has remained shrouded in uncertainty Who actually masterminded it What did they hope to achieve Why did they fail so miserably And what was the movement's connection to international Cold War politics In Pretext for Mass Murder John Roosa draws on a wealth of new primary source material to suggest a solution to the mystery behind the movement and the enabling myth of Suharto's repressive regime His book is a remarkable feat of historical investigation Finalist Social Sciences Book Award the International Convention of Asian Scholars *Mother Jones*, 1996-03 **Video Rating Guide for Libraries**, 1995 **Family of Secrets** Russ Baker, 2009 After eight disastrous years George W Bush leaves office as one of the most unpopular presidents in American history Baker goes deep behind the scenes to deliver an arresting new look at the Bush legacy and the network of figures in intelligence military finance and oil who enabled the Bush family's rise to power Crime, Justice, and Society Ronald J. Berger, Marvin D. Free, Patricia Searles, 2001 This is a criminology text that is explicitly sociological in orientation and is designed to help students cultivate a sociological imagination to guide their thinking about crime and criminal justice The book takes a critical approach and places questions of social inequality and

power at the center of criminological inquiry It views class race ethnicity and gender as pivotal organizing principles of social life prisms through which we come to know ourselves and our social world and as central mechanisms by which social relationships are patterned     **The Malahat Review** ,1999     *The Investigator* ,1993     Prevailing Winds ,1995
