

# Deep South When

**Earl J. Hess**

## Deep South When:

**The Deep South States of America** Neal R. Peirce, 1974      The Deep South William Bryant Logan, Vance Muse, 1989  
Describes hundreds of historic towns buildings and natural wonders of the Gulf States Louisiana Mississippi Alabama Georgia and Florida      *Deep South* Allison Davis, Burleigh Bradford Gardner, Mary R. Gardner, 2009 First published in 1941  
Deep South is the cooperative effort of a team of social anthropologists to document the economic racial and cultural character of the Jim Crow South through a study of a representative rural Mississippi community Researchers Allison Davis Burleigh B Gardner and Mary R Gardner lived among the people of Natchez Mississippi as they investigated how class and caste informed daily life in a typical southern community This Southern Classics edition of their study offers contemporary students of history a provocative collection of primary material gathered by conscientious and well trained participant observers who found then as now intertwined social and economic inequalities at the root of racial tensions Expanding on earlier studies of community stratification by social class researchers in the Deep South Project introduced the additional concept of caste which parsed a community through rigid social ranks assigned at birth and unalterable through life a concept readily identifiable in the racial divisions of the Jim Crow South As African American researchers Davis and his wife Elizabeth along with his assistant St Clair Drake were able to gain unrivaled access to the black community in rural Mississippi unavailable to their white counterparts Through their interviews and experiences the authors vividly capture the nuances in caste enforcing systems of tenant landlord relations local government and law enforcement But the chief achievement of Deep South is its rich analysis of how the southern economic system and sharecropping in particular functioned to maintain rigid caste divisions along racial lines In the new introduction to this edition Jennifer Jensen Wallach situates this germinal study within the field of social anthropology and against the backdrop of similar community studies of the era She also details the subsequent careers of this distinguished team of researchers      **After Freedom** Hortense Powdermaker, 1939 Powdermaker's work provides us with what is still a unique look at how African American men and women struggled to build families develop capital and create a community under conditions which made it necessary for both subjects and the observer to refer to their moment in time as after freedom though it was almost three quarters of a century after emancipation Her work offers us perspectives that foreshadowed contemporary ethnography's efforts to bring anthropology back home Afrocentric research's focus on Africa in America and feminist theory's attempt to incorporate race and class into constructions of white woman gender studies Brackette F Williams and Drexel G Woodson University of Arizona      Deep South's Oldest Rivalry, The: Auburn vs. Georgia Douglas Stutsman, 2017 The rivalry between Auburn University and the University of Georgia began in 1892 and has largely been a competition more brotherly than bitter According to one legend Auburn's War Eagle battle cry originated at the first game between the two schools The first overtime game in SEC history occurred in 1996 when Georgia topped the heavily favored Tigers 56-49 in four extra periods

Renowned UGA coach Vince Dooley graduated from Auburn while Auburn coach Pat Dye was an All American at UGA Join award winning journalist Doug Stutsman as he recounts the unforgettable games moments and personalities on the 125th anniversary of the Deep South's Oldest Rivalry *Deep South* Paul Theroux, 2020-06-11 The acclaimed author of *The Great Railway Bazaar* takes a revealing journey through the Southern US in a vivid contemporary portrait of rural life Atlanta Journal Constitution Paul Theroux has spent decades roaming the globe and writing of his experiences with remote people and far flung places Now for the first time he turns his attention to a corner of America the Deep South On a winding road trip through Mississippi South Carolina and elsewhere below the Mason Dixon Theroux discovers architectural and artistic wonders incomparable music mouth watering cuisine and also some of the worst schools medical care housing and unemployment rates in the nation Most fascinating of all are Theroux's many encounters with the people who make the South what it is from preachers and mayors to quarry workers and gun show enthusiasts With his astute ear and penetrating mind Theroux once again demonstrates his remarkable gift for getting strangers to reveal themselves in this eye opening excursion into his own country The New York Times Book Review Paul Theroux's latest travel memoir had me at hello Theroux pulls no punches in his quest to understand this overlooked margin of American life Boston Globe **Deep South** Paul Theroux, 2015 Theroux explores a piece of America too often overlooked the Deep South He finds there a paradoxical place full of incomparable music unparalleled cuisine and yet also some of the nation's worst schools housing and unemployment rates It is these parts of the South so often ignored that have caught Theroux's keen traveler's eye **Blowing Down the Road** Tony Tingle, 2017-06-19 *Blowing Down The Road* documents one person's lifelong ambition to experience the sights sounds music politics and people of America's Deep South and South West and how it inspired a coast to coast journey through 21 States and three time zones The American landscape and its people are the central characters of the book which concludes with an assessment of the state of the nation under its first black President and a timely reflection on the changing face of America under Donald J Trump **Civil War Supply and Strategy** Earl J. Hess, 2020-10-07 Winner of the Colonel Richard W Ulbrich Memorial Book Award Winner of the Army Historical Foundation Distinguished Writing Award *Civil War Supply and Strategy* stands as a sweeping examination of the decisive link between the distribution of provisions to soldiers and the strategic movement of armies during the Civil War Award winning historian Earl J Hess reveals how that dynamic served as the key to success especially for the Union army as it undertook bold offensives striking far behind Confederate lines How generals and their subordinates organized military resources to provide food for both men and animals under their command he argues proved essential to Union victory The Union army developed a powerful logistical capability that enabled it to penetrate deep into Confederate territory and exert control over select regions of the South Logistics and supply empowered Union offensive strategy but limited it as well heavily dependent on supply lines road systems preexisting railroad lines and natural waterways Union strategy worked far better in the more developed Upper South Union commanders encountered

unique problems in the Deep South where needed infrastructure was more scarce While the Mississippi River allowed Northern armies to access the region along a narrow corridor and capture key cities and towns along its banks the dearth of rail lines nearly stymied William T Sherman s advance to Atlanta In other parts of the Deep South the Union army relied on massive strategic raids to destroy resources and propel its military might into the heart of the Confederacy As Hess s study shows from the perspective of maintaining food supply and moving armies there existed two main theaters of operation north and south that proved just as important as the three conventional eastern western and Trans Mississippi theaters Indeed the conflict in the Upper South proved so different from that in the Deep South that the ability of Federal officials to negotiate the logistical complications associated with army mobility played a crucial role in determining the outcome of the war

**Research Paper SE.** ,1981 *Federal Power Commission Reports* United States. Federal Power Commission,1959 Contains all the formal opinions and accompanying orders of the Federal Power Commission In addition to the formal opinions there have been included intermediate decisions which have become final and selected orders of the Commission issued during such period Crossing the Aisle Antoine Yoshinaka,2015-11-24 Switching parties is arguably the most important decision a politician will ever make This book is the first ever systematic study of the causes and consequences of legislative party switching in the United States The author argues that re election alone does not explain party switching He proposes an ambition based theory that accounts for multiple goals including higher office aspirations and the desire for influence in the legislature with a focus on the electoral costs and the institutional benefits of the decision The book combines the statistical analysis of electoral data and legislative careers in the US Congress and state legislatures with elite interviews of party switchers non switchers and a party leader The case study of a party switcher s decision in real time documents the complexity of the decision in a politician s own words prior to and following the switch The book raises important questions regarding the meaning of a party label Deep South Erskine Caldwell,1995 The author s anecdotes memories interviews and observations offer a portrayal of the religious life of the South and how southern protestantism fared during the social upheaval of the mid 1960s *Truth* ,1903 *Deep South* Nevada Barr,2001-02-01 Nevada Barr s ever popular Anna Pigeon series is consistently praised as exceptional Denver Post stunning Seattle Times and superb New York Times Book Review In Deep South Park Ranger Anna Pigeon heads to Mississippi only to encounter terrible secrets in the heart of the south Anna Pigeon finally gives in to her bureaucratic clock and signs on for a promotion Next thing she knows she s knee deep in mud and Mississippi Not exactly what she had in mind Almost immediately as the new district ranger on the Natchez Trace Anna discovers the body of a young prom queen near a country cemetery a sheet around her head a noose around her neck It s a bizarre twist on a best forgotten past of frightening racial undertones As fast as the ever encroaching kudzu vines of the region the roots of this story run deep and threaten to suffocate anyone in the way including Anna *The Future of the Transvaal Mines* Henry Dupont,1904 Slave Country Adam Rothman,2007-04-30 Rothman

explores how slavery flourished in a new nation dedicated to the principle of equality among free men and reveals the enormous consequences of U S expansion into the region that became the Deep South      **Time** Briton Hadden, Henry Robinson Luce, 1929 Reels for 1973 include Time index 1973      *Mining Manual* , 1902      **New York Court of Appeals. Records and Briefs.** New York (State). Court of Appeals., 1907 Volume contains 189 NY 544 Matter of DeForest 189 NY 554 Matter of Francis 189 NY 561 Matter of Guggenheim 189 NY 552 Matter of Hall v Assessors of the Town of Monroe 190 NY 531 Matter of Hertle Ahearn

This is likewise one of the factors by obtaining the soft documents of this **Deep South When** by online.
