**A Deeper Walk** Thomas Nelson Publishers,1994      The Treasure of Encouragement Christopher W. Lange,2024-12-17  
Encouragement can come in many forms from believers to other believers It can also have an amazing effect on folks we barely know It doesn't cost much it can be given freely without qualification and it may very well change a person's direction in life Many have trudged through difficulties and problems that have beset their days and stolen their joy These same folks may not have revealed their troubles to anyone silently enduring gray hours without hope Let's face it encouragement is not a magic pill which when swallowed changes everything But I would not hesitate to give it if I thought there was the smallest chance that I could befriend could share a burden or lighten a load for another human being It is a heart attitude toward others who are fellow travelers on the road to eternity And it is a way to share Christ to those not on that road Readers need the willingness to spend time with another to be available often when very busy and to be given to the Lord's things

Walk on the Water** Sonya Darcell Johnson,2022-03-08 Is it possible to live a faith based life Yes When we learn how to apply the word of God to our practical lives then we can overcome all challenges Find out why some believers are so peaceful and happy while in the midst of stormy trials Go Ahead Walk on the Water teaches us how to have victorious outcomes from situations that started as defeats Human effort and divine intervention means victorious lives Like the ocean our lives are always moving The gentle breeze creates the calm ripples of everyday duties that we easily accomplish From those completed goals we gain a sense of satisfaction as we readily embrace our good times of peaceful existence Out of nowhere the happiness and tranquility of an all is well lifestyle is abruptly cut short by the forceful winds of strife We find ourselves in the middle of a storm with tsunami like waves from an unexpected life event Why did this have to happen now Though we have overcome many obstacles we fixate on stormy trials Believing that our life is out of control the giant waves of worry anxiety and panic take over Fear of the unknown and limited options cause our faith to decrease and we develop spiritual disorientation Because our fears and doubts escalate we become blinded by the threatening storms We cannot see Jesus extending His hands or hear His command to Go ahead walk on the water Faith enables us to listen to His quiet words of comfort I am here with you in the midst of the raging storm God desires that we come to Him as our refuge in the time of trouble As our relationship grows deeper with God we will see His excellent plans and hear the voice of the Holy Spirit guiding us victoriously through the storm Sonya Darcell Johnson      *Walk in Faith* Jerry Binko,Nancy Binko,2016-08-31 Jerry and Nancy Binko have collaborated in writing a book that is down to earth and inspiring Each of the twenty one chapters offers thoughts for serious meditation They include Getting to Know God Taking Care of Yourself Stewardship The Attitude of Gratitude Forgiveness and Humility Add some humor personal stories and practical Scripture quotations and you have a book that will lead you to a greater
