B. Yeats* Peter McDonald,2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in

their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this second volume the poems of Yeats s early maturity emerge in the contexts of his engagement with Irish history and myth along with nationalist politics his increasing involvement with ritual magic and esoteric lore and his turbulent often unhappy personal life The poems of The Countess Kathleen and Various Legends and Lyrics 1892 reveal a poet of intense narrative power and metaphorical resource adept at transforming miscellaneous sources into haunting and original poems A major revision of his earlier narrative The Wanderings of Oisín takes place in this decade when Yeats is also taken up with the composition of elaborate and uncanny symbolic lyrics many of them resulting from his love for Maud Gonne that are finally collected in The Wind Among the Reeds 1899 This edition makes it possible to trace in detail Yeats s debts to folklore and magic alongside his involved and often difficult private and public life in poetry of exceptional complexity and power **Heroes in Love** Jie Li,2006 Journal of Asian Martial Arts ,2004 Guide to the Turf Ruff William,1871 *The New sporting magazine* ,1870 **Baily's magazine of sports and pastimes** ,1870
