Bhattacharyya,2024-09-01 Promoting sustainable living across seventeen essential areas throughout the planet has been the agenda that was adopted in 2015 by the United Nations with a deadline of 2030 After nine years into the future since 2015 most nations still need to gear up to their full potential to fulfill the targeted development Although the United Nations has been publishing its annual SGD progress reports since 2016 along with a list of portals where the parameters can be measured for individual nations for each one of the seventeen goals the perspective of researchers and practitioners provides a unique perspective on the progression Despite the rigorous attempts from the United Nations regulatory authorities and government initiatives the gap remains and the fulfillment of the targets for all seventeen goals till the end of 2023 remains uncertain The book Sustainable Development Goals A Handbook Based on Media Perspective offers a collection of concepts and perspectives on areas like effective administration media advocacy digital literacy responsible usage integrating inventory management greening efforts digital citizenship revival of tribal culture green products sustainable urbanization pastors as social media influencers for sustainable development agrarian sustainability programs on sustainability influencers of sustainability social media activism women s health representation empowerment sustainability in films and entertainment sustainable living mindful consumption climate advocacy public awareness waste management sustainable communication green practices environment friendly technology multiculturalism environmental communication democratic governance health communication and many more Collectively the chapters would help in understanding the different perspectives of sustainability through the lens of media and communication **Makeup in the World of Beauty Vlogging**

Clare Douglass Little,2020-10-14 This collection studies beauty vlogging as a phenomenon operating at the intersection of celebrity culture digital communities and the cosmetics industry Exploring subjects ranging from race and gender to disability and religion the chapters examine how the genre has impacted social media landscapes and gender expression The contributors analyze how beauty vlogging makes community and economic success seem accessible for viewers as well as how the beauty vlog itself can function as a platform for enacting and inspiring social commentary and change Makeup in the World of Beauty Vlogging studies the cultural phenomenon of the beauty vlog as a space where audiences and vloggers find a voice and a means of personal expression via the potentially subversive power of makeup and social media **The**

**Potential of Influencer Marketing for Tour Operators to Increase Brand Value** Alina F.,2020-09-07 Bachelor Thesis from the year 2019 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 3 University of Applied Sciences Deggendorf language English abstract This paper examines the components of Influencer Marketing with its target groups potentials and risks Nowadays it is becoming increasingly difficult for companies to reach potential

customers which is due to a society flooded with stimuli and advertisements The Marketing activities of companies are in a state of change due to the many possibilities offered by the Internet Tour operators also struggle with this as they can hardly reach certain target groups via traditional media anymore From a consumer s point of view the generation change has opened up a new target group most of which are online Another problem is that consumers are less and less trusting in traditional media and are instead following recommendations from friends and acquaintances Companies must react to this trend and are forced to find alternative communication methods and integrate them into their existing Marketing system One of these tools is Influencer Marketing which many companies are now using and integrating as an important part of their Marketing mix

**Bring Your Human to Work: 10 Surefire Ways to Design a Workplace That Is Good for People, Great for Business, and Just Might Change the World** Erica Keswin, 2018-09-28 WALL STREET JOURNAL BESTSELLER The secret to business success Get REAL and be HUMAN As human beings we are built to connect and form relationships So it should be no surprise that relationships must also translate into the workplace where we spend most of our time Companies that recognize this will retain the most productive creative and loyal employees and invariably seize the competitive edge The most successful leaders are those who actively form quality relationships with their employees who honor fundamental human qualities authenticity openness and basic politeness and apply them day in and day out Paying attention and genuinely caring about the effects people have on one another other is key to developing a winning culture where people perform at the top of their game and want to work As a workplace strategist and business coach Erica Keswin has spent over 20 years working with top business leaders and executives to build successful organizations that honor relationships Featuring case studies from top brands such as Lyft Starbucks Mogul and SoulCycle to name a few Bring Your Human to Work distills the key practices of the most human companies into applicable advice that any business leader can use to build a human workplace These building blocks include Understanding your company s role in the world beyond financial profit Encouraging employees to be healthy in body and spirit Running your meetings with clear purpose Making space for face to face interaction Building professional development into company culture Inspiring your workforce to give back to the community Simply saying thank you A human company is real genuine aligned and true to itself A real company flaunts its humanity instead of hiding it It s what the most successful sustainable companies are doing today and there s no reason yours can t be the same Keswin s leadership lessons foster fairness devotion and joy in the workplace all critical elements of a successful business By bringing your human to work you can design a workplace that is good for people great for business and just might change the world
