Entrepreneurs and influencers have finally discovered the power of social media marketing and having a profitable online business. In fact, during 2020, online stores have seen a growth of over 26%, and this trend will keep on going for a very long time. However, even if the numbers look incredible, big brands and companies have not saturated the entire market yet. This allows retailers and new entrepreneurs just like you to take full advantage of users' attention, which is greatly underpriced at this moment. It is just a question of when big names will start to heavily market online, not if they will do that. Once we will see big companies deploying large sums of money into social media marketing, it will be almost impossible for the average Joe to start a profitable online business. This is why you need to start today, having a clear goal in mind, monetization. Here is what you will discover in this book: The 6 secret steps to every effective social media marketing plan and how you can use them to take your online business to the next level. The only way to create an editorial plan that puts money into your pocket. The KPIs used by the most successful online businesses to monitor results and increase sales. How to effectively use Facebook to build your online presence and leverage it to make money. The reason why Instagram followers do not matter and what you should focus on instead to increase sales. The recent change in Instagram's algorithm and why it is a goldmine for those that know how to act on it. The most important tactics to use to turn your TikTok profile into a cash cow. The secret strategies used by big companies to find profitable leads on Twitter and how you can use them too. A secret platform that can skyrocket your business and how to leverage for maximum results. A detailed step-by-step guide to Facebook Ads and Google Ads and how you can combine them to put even more money into your pocket and much, much more. The beauty of social media marketing is that it can be done with little money. Being able to position yourself effectively is the best way to assure your business a long-lasting success, and this book will show you how to do it. This is the best time to start focusing on an online business as people are spending more time than ever on their phones. It is time to turn their attention into sales.
