Promoting Online Voices for Countering Violent Extremism Todd C. Helmus, Erin York, Peter Chalk, 2013 American Muslims have played an important role in helping to counter violent extremism CVE and support for al Qa ida and are increasingly using the Internet and social media to these ends Discussions with a number of Muslim leaders active in social media suggest that it is possible to expand such efforts even further and doing so is a major objective of the August 2011 White House strategy to counter violent extremism RAND researchers reviewed literature and interviewed American Muslims experienced in social media to understand and explain key challenges facing Muslim activists against extremism and to identify ways in which the public and private sector can help empower CVE voices online Their recommendations include reducing the national security focus of CVE where possible addressing sources of mistrust within the Muslim community focusing engagement and education on those influential in social media and enhancing both government and private sector funding and engagement

Writing Feature Articles

Mary Hogarth, 2019-04-09 *Writing Feature Articles* presents clear and engaging advice for students and young professionals on working as a freelance feature writer. This fifth edition not only covers producing content for print but also for digital platforms and online. Mary Hogarth offers comprehensive guidance on every aspect of feature writing from having the initial idea and conducting market and subject research to choosing the right target audience and publishing platform and successfully pitching the article. In addition, the book instructs students on developing their own journalistic style and effectively structuring their feature. Each chapter then concludes with an action plan to help students put what they have read into practice. Topics include Life as a freelance, Building a professional profile, Telling a story with images, Developing a specialism, Interviewing skills, Profile and interview articles, Working in publicity and advertising, A career in magazines and newspapers, Getting published overseas, Understanding issues in media law and regulation. The book also provides an extensive range of interviews with successful media professionals including a newspaper editor, a money, health and lifestyle journalist, a copywriter and an award-winning columnist where they share their own experiences of working in the industry and offer invaluable tips on best practice.

Brandweek, 2006-04 **The Publishers Weekly**, 2008 **Captivology** Ben Parr, 2024-05-21. The former editor of Mashable and cofounder of DominateFund examines the psychological phenomena that captivate our attention and how we can leverage them to draw and retain attention for our ideas, work, companies and more. Whether you're an artist or a salesperson, a teacher or an engineer, a marketer or a parent putting the spotlight on your ideas, insights, projects and products requires a deep understanding of the science of attention. In *Captivology*, award-winning journalist and entrepreneur Ben Parr explains how and why the mind pays attention to some events or people and not others and presents seven captivation triggers, techniques guaranteed to help you capture and retain the attention of friends, colleagues, customers, fans and even strangers. Parr combines the latest research on attention with interviews with more than fifty scientists and visionaries: Facebook's Sheryl Sandberg, film director Steven Soderbergh, LinkedIn CEO Jeff Weiner, magician Jon Armstrong, New York Times bestselling author Susan Cain, Nintendo's Shigeru Miyamoto, founder of Reddit, Alexis Ohanian and more who have successfully brought their ideas, projects, companies and products to the forefront of cultural consciousness. The result is an insightful and practical book that will change how you assign jobs to your kids or staff, craft a multi-million dollar ad campaign, deliver your next presentation, attract users to your product or convince the world to support your cause.
