MH-SET Paper 1 Guide for Assistant Professor with Past Questions Disha Experts, 2020-02-29 **The Phoenix**

Encounter Method: Lead Like Your Business Is on Fire! Ian C. Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of The Phoenix Encounter Method don't advise safety In fact their method of leadership thinking requires you to imagine burning your business to the ground throwing yourself into a firestorm change and turning the upheaval to your organization's advantage It can then rise phoenix like from the ashes stronger and more powerful than ever Written with a sense of urgency and purposefully radical provocation The Phoenix Encounter Method represents the forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD one of the world's top graduate business schools The resulting methodology based on analysis of thousands of articles studies reports and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies Whatever your sector or industry if you're responsible for your organization's ability to use change as a transformative opportunity you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization *Making Sense of Expertise* Reiner Grundmann, 2022-10-24 Current debates about experts are often polarized and based on mistaken assumptions with expertise either defended or denigrated Making Sense of Expertise instead proposes a conceptual framework for the study of expertise in order to facilitate a more nuanced understanding of the role of expertise in contemporary society Too often different meanings of experts and expertise are implied without making them explicit Grundmann's approach to expertise is based on a synthesis of approaches that exist in various fields of knowledge The book aims at dispelling much of the confusion by offering a comprehensive and rigorous framework for the study of expertise A series of in-depth case studies drawn from contemporary issues including the climate crisis and the COVID 19 pandemic provide the empirical basis of the author's comprehensive approach This thought provoking book will be of great interests to students instructors and researchers in a range of fields in the humanities social sciences and science and technology studies Sessional Papers Great Britain.
