How To Make Money Blogging Adidas Wilson, Blogs began as online journals where people shared their lives But today the goals are more professional Most people now blog to promote their business or brand This post highlights common reasons for blogging and the benefits People love to share what they are passionate about If you love fishing you will want to tell the whole world about it This goes for other things such as marketing photography etc Blogging about what you love helps you connect with others who share your passion all around the globe A blog gives you a platform to teach others As you do so you will also be learning more about the subject Educating through a blog can open a

stream of income for you Blogs for business owners increase exposure Regular blog content earns you visibility in Google search results And if you create content for other websites you will expose your business to a new audience Sharing what you know via a blog makes people view you as an authority If you choose a specific niche you may start getting invited to speak at events podcasts and interviews

The Rise of the Curator Class Steffon Davis,2019-03-14 Pairing big ideas in marketing with the popular activity of content curation The Rise of the Curator Class positions curation as a humanization movement that is restructuring the internet Curation is set to overturn the 2 2 trillion global creative industry revolutionizing how we create market and discover content In the era of content overload and fake news in which everything to buy listen to read or watch is available online there is one group of people who have learned to thrive in this climate of superabundance the curator class whose influence and power grows as more people look to them as guides This new curator class is rewriting traditional curation tackling the overload and making sense of it for others In the past curation was available to an elite few Now internet platforms such as Pinterest Spotify and Twitter empower hundreds of millions of people to curate their ideas for anyone who may be interested revolutionizing how content is marketed and sold The Rise of the Curator Class explains how curation is disrupting internet commerce as consumer trust moves farther away from traditional brands and closer to the curators who lead tastes and it equips readers to think critically about how curation can work for them *Social Media Strategy* Keith A. Quesenberry,2020-08-14 This book is a blueprint for the practice of marketing communications advertising and public relations in a digital world where the consumer has taken control
