Deepfakes Graham Meikle, 2022-09-22 What happens when we can no longer believe what we see Show the AI technologies that create deepfakes enough images of a celebrity or a politician and they will generate a convincing video in which that person appears to say and do things they have never actually said or done The result is a media environment in which anyone s face and image can be remixed and manipulated Graham Meikle explains how deepfakes synthetic media are made and used From celebrity porn and political satire to movie mash ups and disinformation campaigns this book explores themes of trust and consent as face swapping software becomes more common Meikle argues that deepfake videos allow for a new perspective on the taken for granted nature of contemporary media in which our capacity to remix and share content increasingly conflicts with our capacity to trust The book analyses how such videos deepen the social media environment in which the public and the personal converge and in which all human experience becomes data to be shared Timely clear and accessibly written this is an essential text for students and scholars of media communication cultural studies and sociology as well as general readers New York Magazine ,1982-01-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Working Mother* ,2000-10 The magazine that helps career moms balance their personal and professional lives **THE NOMADIC IMAGE** Michael Garbutt, Soheil Ashrafi, 2024-10-04 The papers in this volume were originally presented at The Nomadic Image the seventh edition of the Transdisciplinary Imaging Conference series held at the University of Central Asia s Naryn campus The theme of nomadism was well suited to the conference location in

Kyrgyzstan a Central Asian republic where equestrian nomadism remains a powerful culture signifier According to Deleuze and Guattari the nomad pursues pure lines of flight across smooth continually shifting spaces that stand in opposition to the striated enclosed world of the settled state We invite the reader to explore the pure lines of intellectual flight pursued by the scholars and creative practitioners whose diverse and provocative papers appear in this volume offering stimulating contrasts and unexpected connections
