A brand authenticity expert shares her most powerful secrets. Everyone in marketing is talking authenticity. Which means making a personal or professional brand should be simpler than ever. Right? What could be easier than being yourself? Simple. Sure. But easy? Not so much. Why? Because authenticity is unfiltered, unapologetic, and honest. Authenticity owns its imperfections and takes responsibility for mistakes. It shows up on the good and bad days. In short, authenticity feels scary. Jessica Zweig founded the SimplyBe agency to revolutionize an authenticity-first approach to branding. With *Be: A No-Bullsh\*t Guide to Increasing Your Self Worth and Net Worth by Simply Being Yourself*, she shares her most powerful secrets for building authenticity, service, and real connection into your winning brand. I'm opening up the freakin' vault to SimplyBe's best-in-class trademarked methodologies, tools, and frameworks for clearing away everything that's keeping the real you from shining through, she says, including *Branding Reinvented*. Forget the hacks and tricks; it's time to learn what personal branding is really about. *Embracing Your Sh\*t*: All that stuff you think you need to hide. That's actually your most important resource. *Your Vibe Attracts Your Tribe*: Learn to magnetize the people who most want to support you, and they're out there. *Your Personal Brand Hologram*: SimplyBe's universal framework can crystallize your utterly unique brand platform. *The Supernova™*: Create winning content with the secret sauce of consistency and clarity. *The Pinnacle Content Framework™*: Take the stress out of strategy and find the most direct, effective path toward your goals. *Getting Social Media Right*: Stop chasing trends and learn the 10 sustainable, evergreen principles for online connection. *Living Your Brand*: Take your authentic personal brand where it matters most: offline and into your relationships, your workplace, and the way you show up in the world. We are living at an inflection point, says Jessica Zweig. For any brand, business, or personal, the game is no longer about eyeballs but engagement. No longer about impressions but impact. Content is no longer king; clarity is. Your best strategy? Service and generosity. Your best solution? Authenticity. in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book
