Focuses on what needs to be done before leaving your country. Step 5: gear up and slim down. Focuses on what to pack and how to deal with the rest of your stuff, depending on your choices from earlier steps. Step 6: the big move and settling in. Counts you down from your last few days at your old place to your first few days at your new place. Step 7: start enjoying your new life. Helps establish new habits, make new connections, and helps to make the lifestyle a sustainable one. Step 8: going home or making a new home for yourself anywhere you choose to go.
