Funding Fathers Nicole Hoplin, Ron Robinson, 2008-09-09 Money changes everything especially in politics Politicians think tanks and political parties would not be where they are without monetary gifts Yet when it comes to celebrating donors the media often praise liberals for their selfless giving and criticize conservatives for their selfish hoarding But Ron Robinson and Nicole Hoplin leaders of Young America's Foundation set the record straight in Funding Fathers The Unsung Heroes of the Conservative Movement Part historical account of the conservative movement and part expos about political philanthropy Funding Fathers busts the myth that conservatives donate less money than democrats and exposes how the media liberal organizations and even conservatives perpetuate this lie In Funding Fathers Robinson and Hoplin reveal How conservative donors have had as much influence on the conservative movement as people like Ronald Reagan and William F Buckley Jr Why anonymous donations can do more harm than good to the conservative movement How donations benefiting conservative ideas are often misappropriated at universities across the U S How conservative politicians and organizations use donations more efficiently than liberals Money matters But it is not the size of the donation that counts it is the impact it makes Funding Fathers shows how the unsung heroes of the conservative movement have not only influenced the past but also how they continue to shape the future

Setting the Table Danny Meyer, 2006-10-03 In October 1985 at age twenty seven Danny Meyer with a good idea and scant experience opened what would become one of New York City's most revered restaurants Union Square Cafe Little more than twenty years later Danny is the CEO of one of the world's most dynamic restaurant organizations which includes eleven unique dining establishments each at the top of its game How has he done it How has he consistently beaten the odds and set the competitive bar in one of the toughest trades around In this landmark book Danny shares the lessons he's learned while developing the winning recipe for doing the business he calls enlightened hospitality This innovative philosophy emphasizes putting the power of hospitality to work in a new and counterintuitive way The first and most important application of hospitality is to the people who work for you and then in descending order of priority to the guests the community the suppliers and the investors This way of prioritizing stands the more traditional business models on their heads but Danny considers it the foundation of every success that he and his restaurants have achieved Some of Danny's other insights
