Forge your own successful transmedia career. With these proven media-ready strategies, you'll learn how to generate must-read content, must-see videos, and must-visit websites that will only grow bigger as viewers respond, contribute, and spread the word. You'll create major buzz with structures such as alternate reality games and fictional character sites, or even old-fashioned platforms such as email and phone calls. The more you connect to your audience, and the more you get them involved in the storytelling process, the more successful you will be. This isn't the future; this is now. This is how you tell your story, touch your audience, and take your game to the next level through transmedia storytelling.
