**Swimming Against the Current** Riley Gaines, 2024-05-21 A NATIONAL BESTSELLER USA TODAY America s most effective and celebrated voice in the fight to save women s sports shares her unbelievable story and inspires readers to embrace common sense and truth Riley Gaines has been called many things Collegiate athlete All American Champion But in 2022 everything changed The narrative shifted Now critics smeared her as Transphobic Narrow minded Evil What changed Riley gave the truth a voice She stood up spoke out and dared to ask questions not just for herself but for all female athletes who refuse to accept an ideology where inclusivity for trans identifying male athletes now means treating women unfairly and putting their safety at risk Riley Gaines is changing minds in the process and this highly anticipated fearless pro woman book takes on controversial but critical questions we must confront about women and sports in America Can t we embrace policies that give everyone the chance to compete but still protect women and ensure they have a fair shot at success In this book Riley scrutinizes the perspectives of athletes on the opposing side of this debate deconstructing their arguments with science facts and logic She also asks what has happened to free speech and dissent in this country where it now seems nearly impossible to have a well reasoned debate And in telling her story Riley reveals what s at stake if the truth seekers remain silent about the injustices women face from radical agendas *From Margins to Mainstream - Women's Role in Sustainable Development* Prof Achla Gakkhar, Dr Manjali Sharma, Dr Shilpi Chauhan, Mr Utkarsh K Singh, 2025-07-28 *From Margins to Mainstream Women s Role in Sustainable Development* is a compelling exploration of how women often side lined in traditional development narratives are now emerging as central figures in the global pursuit of sustainability This book

examines the evolving role of women in environmental conservation social equity and economic resilience across diverse cultures and communities Blending academic insights real world case studies and policy analysis the book highlights the critical contributions of women in areas such as climate change mitigation natural resource management and grassroots activism It also sheds light on the systemic barriers they face and the transformative impact of inclusive gender sensitive development practices Ideal for students researchers policymakers and activists this book is both a call to action and a roadmap for integrating gender equity into the heart of sustainable development efforts By bringing women s voices from the margins to the mainstream it redefines what true progress looks like in the 21st century      *Language, Culture, and Society* James Stanlaw,Nobuko Adachi,2025-03-31 Why should we study language How do the ways in which we communicate define our identities And how is this all changing in the digital world Over seven editions many have turned to *Language Culture and Society* for answers to questions like these because of its comprehensive coverage of all critical aspects of linguistic anthropology This eighth edition carries on the legacy while addressing some of the newer pressing and exciting challenges of the twenty first century such as issues of language and power language ideology linguistic diasporas as well as online and digital ecosystems New to this edition are a reconceptualization of how linguistics approaches race gender and sexuality with additional chapters and sections on how linguistics benefits archaeology and biological anthropology as well as considerations of the relationship between language and truth ethics and war and politics It also features enhanced and updated pedagogical features such as learning objectives updated resources for continued learning and cross references to updated encyclopedias of linguistic anthropology      *Critiquing Generative AI in Africa's Media Ecosystems* Lungile A. Tshuma,Trust Matsilele,2025-11-17 This book takes a critical approach to the rise of Artificial Intelligence AI within the media and communication landscape The book argues that as technology is a social construct reflecting existing power dynamics those in the Global South and in Africa in particular are bound to be marginalised and have their knowledge systems overlooked as the Global North dominates technological developments The birth of AI has ignited debates about its benefits to lower income countries with some highlighting its potential to advance businesses and grow economies However this book argues that AI tools have been produced to serve Western needs and that instead there is a need for countries in Africa to have home grown solutions defined by local values Drawing on case studies and analysis from across the continent the book seeks to caution challenge and proffer solutions to the use and understanding of Generative AI for media and communication in non western societies At a time when generative AI is threatening to shape the future of media and communication around the world this book is a vital and timely contribution to debates within critical data studies and African media studies      **Exploring the Intersection of Artificial Intelligence and Journalism** Santosh Kumar Biswal,Anand J. Kulkarni,2024-02-02 This book studies the role of Artificial Intelligence AI in journalism It traces the origin growth and development of the media and communication industry in the globalized world and discusses the implications of

technologies such as Augmented Reality Virtual Reality and Extended Reality which have helped foster a communication revolution across the globe The volume discusses technology centric media theories in the context of AI and examines if AI has been a boon or bane for data journalism It also looks at artificial intelligence in beat reporting and citizen journalism and analyses the social cultural implications of artificial intelligence driven journalism and the ethical concerns arising from it An important contribution this book will be indispensable for students and researchers of media studies communication studies journalism social media technology studies and digital humanities It will also be useful for media professionals

### **Robots**

**That Love** Judith A. Markowitz, 2025-10-30 In a world of increasingly sophisticated AI the relationship between creator and creation has shifted Robot lovers coexist with humans and the boundaries of emotion and consciousness are blurred This book considers the fundamental challenge of imbuing robots with the capacity to experience love delving into the consequences of loving robots that can only feign reciprocation and philosophical questions about sentience and consciousness Other forms of artificial lovers are also discussed ranging from ChatGPT and Samantha from the 2013 film Her to a variety of sex dolls monsters golems and romanceable characters in dating simulation games Such entities encompass an array of sexual and gender identities as well as gender biases involved in creating the perfect artificial companion and developing AI systems These biases often perpetuated by deep learning algorithms underscore the need for critical reflection amid the evolution of AI
