Nold,2021-01-26 The Book of Meditation was developed over more than twenty years of taking notes during meditation and writing down inspiration when feeling the Holy Spirit through prayer and contemplation I noted during my meditation many times what kind of technique was bringing the best results and thus wrote them down to be used or gone over later Many times I received a tingly feeling and heard a still small voice and then wrote down inspiration After I had decided to write this book about meditation it is my firm belief that God told me to write this book and I am sure the name comes from this inspiration Were it not for this inspiration from God I m sure I would have stopped writing many different times Though I have no great education nor do I have any great standing in society yet I have received many revelations and some amazing visions I think God wants us to realize once again that anyone may receive these revelations from God we don t need to have some great position in church or standing in society just a sincere and repentant heart humble mind and being a diligent person who truly desires to know the Lord God and Jesus Christ The Lord wants to communicate with us often yet we in our busy world need to listen we need to take time to meditate Through prayer and meditation we can communicate with God but we need to listen after we ask questions in our prayer We need to wait on the Lord we need to meditate Psalm 1 2 states But his delight is in the law of the Lord and in his law doth he meditate day and night The Book of Meditation can help with this I m sure it can bring the peace and the love of God to many **Military Spouse Journey** Kathie Hightower,Holly

**Seven Masters, One Path** John Selby, 2012-04-17 *Seven Masters One Path* brings together the seven primary practices of the world's most revered spiritual masters: Krishnamurti, Lao Tzu, Buddha, Jesus, Mohammed, Gurdjieff, and Patanjali in one simple yet complete program. Finally, everyone who wants to learn how to meditate or to deepen their meditation practice can turn to one comprehensive guidebook that leads readers gently yet surely into experiencing the seven universal dimensions of daily meditation practice. *Seven Masters One Path* guarantees access to deep meditative experience for people seeking relief from emotional and mental stress and especially for anyone who longs to experience a deeper sense of connection with our spiritual core. No matter how divergent all the theologies, philosophies, rituals, and dogmas of the world's great meditative traditions might appear, John Selby reveals that the underlying intent of the original masters was remarkably similar: to help people to point their attention toward regular contact with the divine through opening hearts and souls to direct communion with God by whatever name. Offering one meditation each from the seven teachers, *Seven Masters One Path* emphasizes the commonalities in the diverse traditions, ultimately providing a unique and accessible meditation program that anyone can master.
