New York School Journal, 1895 **Contemporary School Playground Strategies for Healthy Students** Brendon Hyndman, 2017-06-12 This book is a research guide for implementing contemporary playground strategies to promote active healthy students A number of school playground strategies have succeeded in reducing the decline in students activity levels by introducing equipment and policies that encourage further engagement The book outlines these strategies and ideas and offers insights into their multiple levels of influence on engaging students in school playground activities that can promote student health It also discusses previous investigations into the effect of playground strategies on students activities and the differences between structured and unstructured playground activities investigations that have explored the translatability and feasibility of specific school playground strategies and potential recommendations for future school playground research It also provides observations on the features students desire in their playgrounds and what features are important in terms of safe activities enjoyment levels which in turn offers suggestions for future research directions

Annual Report Cincinnati

(Ohio). Board of Education,1916 *Dogs in Schools* Helen Lewis,Russell Grigg,2023-12-22 Using a wealth of infographics and classroom examples *Dogs in Schools* sets out the pedagogical principles that schools can employ to work with school dogs in a way that promotes the well being of all participants and creates a safe environment for all This is the first book to combine theory and research with the views of experienced teachers and professionals working around the world from the United Kingdom to India from Australia to mainland Europe Their perspectives illustrate the wide ranging interest in school dogs but also highlight common concerns For policymakers this is a book not to ignore because it shows how dogs have the potential to make a significant contribution to children s well being at a time of growing concern in this area Simultaneously the authors endorse the views of contributors who call for the introduction of humane regulations and fulsome guidance so that school dogs are viewed as sentient companions and not relegated to the latest educational fad This is a must read book for all those who are serious about humane education and ensuring the well being and happiness of both children and dogs
