*The Outlaw Trail* Charles Kelly, 1959-01-01 The Wild Bunch the confederation of western outlaws headed by Butch Cassidy found sanctuary on the rugged Outlaw Trail Stretching across Montana Idaho Wyoming Colorado Utah Nevada

Arizona and New Mexico this trail offered desert and mountain hideouts to bandits and cowboys The almost inaccessible Hole in the Wall in Wyoming was a station on the Outlaw Trail well known to Butch Cassidy To the south in Utah was the inhospitable Robbers Roost where Butch and his friends camped in 1897 after a robbery at Castle Gate Charles Kelly recreates the mean and magnificent places frequented by the Wild Bunch and a slew of lesser outlaws At the same time he brings Butch Cassidy to life traces his criminal apprenticeship and meeting with the Sundance Kid and masterfully describes the exploits of the Wild Bunch *The Outlaw Trail* Charles Kelly,1999-05 One of the most renowned and elusive of outlaws He and his gang The Wild Bunch virtually ruled a vast segment of the cattle range of the Old West *The Wild Bunch at Robbers Roost* Pearl Baker,1989-02-01 Robbers Roost was a hideout for outlaws and hunted men long before Butch Cassidy found it in 1884 The impenetrable wastes and wilds of this high desert country in southeastern Utah cut through by canyons along the Green and Colorado rivers and bounded on the west by the Dirty Devil discouraged lawmen from pursuit Growing up on a ranch that included Robbers Roost Pearl Baker heard many of the legends about and talked to many who remembered the notorious Wild Bunch In the 1890s they spread over Utah Wyoming Montana Colorado and Arizona rustling cattle stealing horses robbing banks and trains and often taking cover at Robbers Roost Butch Cassidy and the Sundance Kid Flat Nose George and the Curry boys Elzy Lay Gunplay Maxwell the McCarty boys Peep O Day Silver Tip Blue John and Indian Ed Newcomb they all come to rip roaring life while courting death in *The Wild Bunch at Robbers Roost* In his introduction to the Bison Books edition Floyd A O Neil director of the American West Center at the University of Utah discusses landscape the law and the Wild Bunch and Pearl Baker s lifelong preparation for this lively book *Finding Butch Cassidy and the Sundance Kid* Marilyn Grace,John McCullough,2015-01-14 A native of Utah Marilyn Grace has been searching for 17 years determined to find the truth about what really happened to Butch Cassidy and The Sundance Kid Marilyn s career as a film maker and author has taken her to Wild Bunch country to capture this fascinating story Her TEAM of scientists and professionals have exhumed the body of William Henry Long of Duchesne Utah With DNA evidence received from William Henry Long s remains we can reveal our research William Henry Long is an alias for Harry Alonzo Longabaugh The Sundance Kid Join us on this exciting journey of discovery that has changed history forever Marilyn Grace **Butch Cassidy and the Sundance Kid** Tim Cooke,2015-12-15 Robert Leroy Parker s transformation into Butch Cassidy wasn t immediate He worked on ranches as a cowboy was a butcher for a time and finally chose a path of crime in the American West in the late 1800s Cassidy s involvement with the band of outlaws known as the Wild Bunch and later partnership with Harry Longabaugh the Sundance Kid resulted in a crime spree and a life on the run Butch Cassidy and the Sundance Kid fled to South America where their fate remains a mystery This lively well researched volume filled with fascinating photographs and fact boxes provides a gripping account of a fugitive s life and legend **The Wild Bunch at Robbers Roost** Pearl Biddlecome Baker,1971 The Wild Bunch including such outlaws as Flat Nose George and Butch Cassidy and the Sundance

Kid would hide out between exploits in the wilds of Utah in an area known as Robbers Roost      **Butch Cassidy & the Sundance Kid** Charles River Charles River Editors, 2013-08-25 Includes pictures of Butch Sundance and other important people and places in their lives Explains the origins of the names Butch Cassidy and Sundance Kid Discusses the legends and mysteries surrounding the lives deaths and legacies of Butch and Sundance Includes a Bibliography for further reading The Wild West has made legends out of many men through the embellishment of their stories such as crediting Billy the Kid and Wild Bill Hickok for killing far more people than they actually did But it has also made icons out of outlaws like Butch Cassidy and the Sundance Kid based on the mystery and uncertainty surrounding their crimes and deaths allowing speculation and legend to fill in the gaps Though Butch Cassidy and the Sundance Kid are the two most famous members of the Wild Bunch and will probably always be associated with each other there s no indication that they had any particularly close friendship or relationship aside from being members of the same gang In fact they might not have been linked together at all but for the fact that they both chose to flee the country for Argentina to escape justice It was in South America that the famous outlaws are believed to have met their ultimate fate in a shootout with Bolivian soldiers but the mystery and controversy surrounding that shootout and whether the two bandits were actually them have helped ensure their place in Western lore As with so many other legends of the West people continue to speculate that Butch Cassidy and the Sundance Kid survived and lived out the rest of their lives In fact it was in South America that Butch Cassidy and the Sundance Kid are believed to have met their ultimate fate in a shootout with Bolivian soldiers The mystery and controversy surrounding that shootout and whether the two bandits were actually them have helped ensure their place in Western lore and as with so many other legends of the West people continue to speculate that Butch Cassidy and the Sundance Kid survived and lived out the rest of their lives Butch Cassidy The Sundance Kid chronicles the outlaws lives while also analyzing their legacies and mythology that have enveloped their stories in an attempt to separate fact from fiction and determine what the notorious robbers were really like Along with pictures of important people and places you will learn about Butch and Sundance like never before      *The Last Outlaws* Thom Hatch, 2013-02-05 The Old West was coming to an end Two legendary outlaws refused to go with it As leaders of the Wild Bunch Butch Cassidy and the Sundance Kid executed the most daring bank and train robberies of their day For several years at the end of the 1890s the two friends along with a revolving band of thieves eluded law enforcement while stealing from the rich bankers and Eastern railroad corporations who exploited Western land until they rode headlong into the twentieth century In *The Last Outlaws* Thom Hatch brings these memorable characters to life like never before From their early holdup attempts to that fateful day in Bolivia Hatch draws on a wealth of fresh research to go beyond the myth and provide a compelling new look at these legends of the Wild West Includes Photographs      *In Search of Butch Cassidy* Larry Pointer, 2013-07-17 Who was Butch Cassidy He was born Robert LeRoy Parker in 1866 in Utah And as everyone knows after years of operating with a sometime gang of outlaws known as the Wild Bunch he and the Sundance Kid escaped to

South America only to die in a 1908 shootout with a Bolivian cavalry troop But did he die Some say that he didn't die in Bolivia but returned to live out a quiet life in Spokane Washington where he died peacefully in 1937 In interviews with the author scores of his friends and relatives and their descendants in Wyoming Utah and Washington concurred claiming that Butch Cassidy had returned from Bolivia and lived out the remainder of his life in Spokane under the alias William T Phillips In 1934 William T Phillips wrote an unpublished manuscript an auto biography of Butch Cassidy The Bandit Invincible the Story of Butch Cassidy Larry Pointer marshalling an overwhelming amount of evidence is convinced that William T Phillips and Butch Cassidy were the same man The details of his life though not ending spectacularly in a Bolivian shootout are more fascinating than the until now accepted version of the outlaw's life There was a shootout with the Bolivian cavalry but according to Butch Phillips he was able to escape under the cover of darkness sadly leaving behind his longtime friend the Sundance Kid dead Then came Paris a minor bit of facelifting Michigan marriage Arizona Mexico with perhaps a tour as a sharpshooter for Pancho Villa Alaska and at last the life of a businessman in Spokane In between there were some quiet return trips to visit old friends and haunts in Wyoming and Utah The author with the invaluable help of Cassidy's autobiography has pieced together the full and final story of a remarkable outlaw from his Utah Mormon origins through his escapades of banditry and his escape to South America to his self rehabilitation as William T Phillips a productive and respected member of society
