

TRUE STORY:

BUTTER BOX BABIES

Butterbox Babies

Lori Carangelo

Butterbox Babies:

Butterbox Babies Bette L. Cahill, 2006 Many of the babies born at the Ideal Maternity Home in East Chester Nova Scotia were not adopted Instead they mysteriously disappeared becoming known as butterbox babies named after the grocery delivery boxes that they were buried in Since Bette Cahill first wrote about this shocking truth in 1992 she continued to research the story and corresponded with many of the home's survivors In this expanded edition she shares her ongoing examination revealing the sometimes happy often heartbreaking endings of survivors searching for their birth parents

Butterbox Babies George Presley, 2020-07-03 February 1928 in Nova Scotia a certain maternity home was opened by William and Lila Young it was initially called The Life and Health Sanitarium It claimed to provide maternity care for local married couples and discreet birthing and placement for unwed mothers The Home was a center for illegal adoptions across the United States and Canada as the US laws had not legalized adoption across religious backgrounds leaving many Jewish families without any adoption options As time went on the Youngs' practices turned out to be increasingly degenerate They would intentionally starve unmarketable children to death by taking care of them just molasses and water The children they couldn't sell were burned in the Home's furnace or buried in the backyard of the property in a box hence the name Butterbox babies They are also said to have separated and created siblings and twins according to what their customers wanted In some cases they even told the local mothers that their child had died so that they could use it for their benefit A few couples settled up to 10 000 for a child On occasion there were as much as 100 children accessible for selection This atrocity was made possible due to the peril of reformatory mentalities toward ladies and the threat of controlling the conceptive alternatives for couples who saw the Youngs as a safe haven completely oblivious to the fact that they were being extorted for monetary gains My heart goes out to those innocent babies that were killed during the time and those mothers who were told their babies were dead I cannot begin to imagine the pain they must have all felt Get your copy of this book today by clicking on BUY NOW *Butterbox Babies* Bette Cahill, 1992 [The Traffic in Babies](#) Karen A. Balcom, 2011-12-15 Between 1930 and the mid 1970s several thousand Canadian born children were adopted by families in the United States At times adopting across the border was a strategy used to deliberately avoid professional oversight and take advantage of varying levels of regulation across states and provinces The Traffic in Babies traces the efforts of Canadian and American child welfare leaders with intermittent support from immigration officials politicians police and criminal prosecutors to build bridges between disconnected jurisdictions and control the flow of babies across the Canada U S border Karen A Balcom details the dramatic and sometimes tragic history of cross border adoptions from the Ideal Maternity Home case and the Alberta Babies for Export scandal to trans racial adoptions of Aboriginal children Exploring how and why babies were moved across borders The Traffic in Babies is a fascinating look at how social workers and other policy makers tried to find the birth mothers adopted children and adoptive parents who disappeared into the spaces between child welfare and immigration laws

in Canada and the United States *Butterbox Babies* Christopher Gibson, 2021-10-27 This book tells the dark story of a maternity hospital in Nova Scotia that was owned and operated by a couple William Young and his wife Lila Young Their business has become known as the ideal maternity home and they charged extremely high prices Women in this region were earning about 8 a week at the time and had no choice but to work for the Youngs until they were able to pay their bills Legal contracts have been signed by single mothers giving the Youngs legal authority over their children and adoptions As at that time there was no adoption procedure legalized in religious circles by the laws of the United States thus leaving many Jewish families with no further adoption options It was then discovered that the Youngs would deliberately starve the unmarketable children by feeding them only molasses and water the children usually only lasted two weeks Dead children were thrown into small wooden grocery boxes usually used for dairy products Hence the name Butterbox Babies The children were buried on the property next to a nearby cemetery at sea or sometimes burned in a furnace While at least a thousand more survived and were adopted the lucky survivors often suffered from illnesses caused by unsanitary conditions and lack of proper care

The Butterbox Babies Pearl Eliot, 2021-04-05 This book tells a dark tale of a maternity home in Nova Scotia that was owned and managed by a couple Their business became known as the Ideal Maternity Home The home charged extremely high prices for instance price for an abortion was as high as 500 The women in that area at that time made about 8 a week and had no option but to work for the Young s until they were able to foot their bills Legal contracts were been signed by the unwed mothers giving William and Lila Young the legal authority over their babies and their adoptions The home soon became a center for all kinds of illicit adoptions across Canada and the United States of America As at this time there wasn t a legalized adoption procedure across religious environments by the US laws thus leaving a lot of Jewish families with no other option for adoption It was later discovered was that the Youngs would purposely starve unmarketable babies to death by feeding them only molasses and water the infants would usually last only two weeks Babies who died were disposed of in small wooden grocery boxes typically used for dairy products Hence the name Butterbox Babies The babies were buried on the property adjacent to a nearby cemetery at sea or sometimes burned in the homes furnace *Butterbox Babies* Bette

Cahill, 1990-10-01 **Social Fabric Or Patchwork Quilt** Jeff Keshen, Raymond Benjamin Blake, 2006-01-01 Both historical and contemporary features of Canadian social welfare are explored in this wide ranging and in depth collection Social Fabric or Patchwork Quilt explores the evolution of the Canadian social welfare state from a system based upon voluntarism and philanthropy to one in which the State s involvement has increased considerably It also shows how the roles of governments at all levels have changed in recent times Chapters describe the developing Canadian welfare state from Confederation to the present Beginning with an integrative framework in the general introduction the selected essays represent many perspectives chronological regional multidisciplinary and ideological An important feature of this collection is the consideration of providers and recipients Such wide ranging outlooks are possible given the diverse backgrounds of

contributors which include historians sociologists social workers public policy experts and political scientists As well as historical and sociological studies topics include key programs discussed in detail the quality of services received by principal target groups new directions in research some contributions even revisit foundational older works and key government documents

Butterbox Survivors Robert Hartlen,1999 Since the 1992 publication of *Butterbox Babies* the Ideal Maternity Home in Chester Nova Scotia has become synonymous with illegal adoptions and suspicious baby deaths Much attention has been giving neglect of infants at the Home the exorbitant fee paid by adoptive parents and the secretive nature of transactions But what became of the children who were adopted What effect did their shaky beginnings have on their lives Were they loved and cherished or mistreated and ignored Did they feel like family did they always wonder who they were In this comprehensive book author and Survivor Robert Hartlen has compiled the personal stories of thirty six of the adult adoptees who survived the Ideal Maternity Home Here we share in their most private memories and experiences the painful struggles to come to terms with being adopted the epic searches to find birth families and the heartening sense of a surrogate family many adoptees found in many fellow Survivors Also included are stories of some of the birth mothers who gave up their children and some of the adopted mothers who claimed the babies as their own Underlying all the stories is the terrifying realization that except for an act of fate or of grace these Survivors might have shared an unmarked grave with their innocent fellow infants known and remembered as the Butterbox Babies At once uplifting and disquieting these stories not only force us to confront a painful chapter in Nova Scotia's history but also challenge us to reconsider the whole notion of family

Acadiensis ,2001 **Fireweed** ,1996 **Canadian Book Review Annual** ,1999 *The Search of a Lifetime* Kathryn M. Denton,Teresa M. Cummings,2000-10 This is the true story of Kathy's search for her daughter lost to adoption and the fight for open records

The Praeger Handbook of Adoption Kathy S. Stolley,Vern L. Bullough,2006 *Chosen Children* Lori Carangelo,2002 **Flutter** Alice Burdick,2008 Nova Scotia poet Alice Burdick's second major poetry collection is a cat's cradle of startling imagistic leaps and quiet meditations Burdick sets her lateral gaze on small town news stories banal occurrences and the tiny things of a semi rural life In the tradition of John Ashbery or Lorine Niedecker her cubist portraits and landscapes are imbued with a joyous wordplay even when the poems are heartbreaking Each Burdick poem whether it's five lines or five pages is a journey of surprise bewilderment and perhaps even revelation

TV World ,1996 International business magazine for television **The Family Dynamic** Margaret Ward,2001 *Saving Grace* Sarah Brady,Patrick Crowley,Eric Deters,2008-04-01 The true story of a mother to be a deranged attacker and an unborn child It seemed like a simple case of mistaken identity Sarah Brady was nine months pregnant and the baby gifts she registered for were being sent to a Sarah Brody Little did she know that it was a trap set up by a woman so desperate to be a mother that she would try to steal Sarah's unborn child
