Butterworths Financial Services Law Guide Second Edition:

The Financial Services Sourcebook Robert Cunnew, Alison Scammell, 2017-09-29 Provides a first port of call for those seeking information sources in a sector that has undergone tremendous change in recent years Includes information on banks and building societies insurance companies investment funds and pension funds Highlights essential reference works consumer information career guides technical reports official publications market and company research product information and electronic resources Identifies the most appropriate sources and provides assistance in choosing between competing items and provides an overview of significant international sources Offshore Financial Services Handbook Bill Brown, 1999-02-05 Reputable offshore financial centres play a legitimate and integral role in international finance and trade offering a huge advantage in certain situations for both corporations and individuals Offshore financial services handbook provides an informative and comprehensive survey of the legitimate uses of offshore financial services Based on his own wide ranging experience in several offshore centres Bill Penman Brown comprehensively reviews the development practice and availability of financial services in the offshore environment The result is a clearly written practical guide which will continue to be essential reading for both professionals and their clients Brand new edition including a new chapter on offshore banking services Designed for both financial services professionals and their clients Written by a practitioner with years of experience in many offshore centres The New Law Journal ,2004 *Finding Legal Information* David Pester, 2003-09-30 Given the vast amount of legal information available it is sometimes very difficult and certainly very time consuming to know where to start looking for the specific information you require This book covering the most up to date information sources printed and electronic helps guide the reader towards the information they need It is an accessible and easy to use directory of legal information sources for librarians lawyers students and anyone needing legal information The book covers mainly British and European Union law and includes general material and the main subject areas including online and internet sources It also lists reference material such as legal dictionaries and directories The book is essentially a directory of information sources with publishing details including ISBN and short comments where useful Electronic sources are mentioned where relevant with details of scope and any limitations of coverage Comprehensive and up to date covering electronic sources and important legal developments including civil procedure and human rights Covers the massive expansion of information on the web and online services Based on the author's considerable experience thus he has gained a detailed and wide ranging understanding and appreciation of users needs and areas of interest *The Legal and Regulatory Aspects of Islamic Banking* Abdul Karim Aldohni, 2012-05-23 During the last ten years the Islamic banking sector has grown rapidly at an international level as well as in individual jurisdictions including the UK Islamic finance differs quite substantially from conventional banking using very different mechanisms and operating according to a different theory as it is based on Islamic law Yet at the same time it is always subject to the law of the particular financial market in which it

operates This book takes a much needed and comprehensive look at the legal and regulatory aspects which affect Islamic finance law and examines the current UK and international banking regulatory frameworks which impact on this sector The book examines the historical genesis of Islamic banking looking at how it has developed in Muslim countries before going on to consider the development of Islamic banking in the UK and the legal position of Islamic banks within English law The book explores company contract and some elements of tax law and traces the impact it has had on the development of Islamic banking in the UK before going on to argue that the current legal and regulatory framework which affects the Islamic banking sector has on certain occasions had an unintended adverse impact on Islamic banking in the UK The book also provides an overview of the Malaysian experience in relation to some of the main legal and regulatory challenges in the context of Islamic banking and finance

Law and Regulation of Mobile Payment Systems Joy Malala, 2017-11-28 Over the last ten years mobile payment systems have revolutionised banking in some countries in Africa In Kenya the introduction of M Pesa a new financial services model has transformed the banking and financial services industry Giving the unbanked majority access to the financial services market it has attracted over 18 million subscribers which is remarkable given that fewer than 4 million people in Kenya have bank accounts This book addresses the legal and regulatory issues arising out of the introduction of M Pesa in Kenya and its drive towards financial inclusion It considers the interaction between regulation and technological innovation with a particular focus on the regulatory tools institutional arrangements and government decisional processes through the examination as a whole of its regulatory capacity This is done with a view to understanding the regulatory capacity of Kenya in addressing the vulnerabilities presented by technological innovation in the financial industry for consumers after financial inclusion It also examines the way that mobile payments have been regulated by criticising the piecemeal approach that the Central Bank of Kenya has taken in addressing the legal and regulatory issues presented by mobile payments The book argues there are significant gaps in the regulatory regime of mobile banking in Kenya
